a member who passed away recently. Miss Marian Martin read the resolution of respect.

Donation was given to the United Campaign Fund.

Final arrangements for a food stand at the Ephrata Fair were made. Meals will be served four days.

For the program, 4-H Club girls from Northern Lancaster County gave demonstrations. Fourteen members of the Jolly Caterers Cooking Club brought cookies to be judged. Judges were Mrs. Irvin Burkholder, Mrs. Harry Palm and Mrs. Mary Rover.

Blue ribbon winner were Betty Bollinger, Ann Bomberger,

BOOK CHOICE IMPORTANT

In the pressure for achievement, don't be guilty of pushing books on a child that are too mature for him. cautions Mrs. Marguerite Duvall, Penn State extension child development specialist. This can lead to boredom and a loss of interest. Using too many babyish books with narrow interests can have the same effect.

materials were used. Test for rigidity and inspect the finish. Also look for these construction details in quality furniture.

Corner blocks glued and screwed to chair or table rails reinforce corners to increase rigidity.

Table tops fastened to the base with screws or steel clips permit the top to ride as wood swells or contracts. Check to see that table surfaces are flat and evenly finished.

Extension table leaves should

The next meeting will be Oct. 21 in the Lincoln Lutheran Church Social Building. A luncheon at noon will have members of Society 4 as guests.

fit perfectly and match the rest of the table.

Good-quality furniture has drawers dovetailed or notched on corners. And check to see if drawers slide in and out evenly and smoothly.

Look for doors that close smoothly and fit well. Examine hinges and make sure doors don't sag.

Be sure hardware is carefully detailed, suited to the furniture design, and firmly attached.

Serve Squash Often
Many varieties of squash on the market give you the chance to select the type you prefer.

Jade green zucchini, white scalloped patty pan, and yellow summer squash are easy to find at popular prices.

During the fall look for hardy

squashes such as the acorn and bell-shaped butternut.

You can bake, boil, or steam squash.

Serve squash with other vegetables especially those of the cabbage family — broccoli, Brussels sprouts, cabbage, and cauliflower.

Some Uses For Nutmeg
Use nutmeg as a topping for custards and eggnog.

You can sprinkle nutmeg on broiled or fried bananas before you serve them.

Nutmeg adds new flavor to a dish or spinach or Brussels sprouts.

For a special touch, serve such fruits as peaches, fresh or frozen pineapple, seedless green grapes topped with sour cream and sprinkled with nutmeg.

The total-electric home of Mr. and Mrs. T. Eugene Hammer, Lancaster.

We asked the Eugene Hammer family,
who converted to total electric living:
Is it as low-cost as we promised?

Their answer:

**Yes! We paid just \$29.18 a month
last year for everything,
including electric heating!**

This low cost also included electric water heating, cooking, laundering, lighting, and all their other electric services.

That's why we say, to make a true comparison of the total costs of home heat and operating all your work-saving appliances, you must add together all costs.

With total electric living, for instance, there's just one service, one bill and no expensive maintenance contracts. But to get the true cost of flame-type heat, you must add together the fuel bill, the elec-

tric bill and the service contract. Put them all together and you'll see why we say live the total electric way as the Hammer family does.

IF YOU ARE BUILDING — be sure to tell your builder you want to be modern, you want the best, you want electric heat.

IF YOU ARE REMODELING — call a Reddy Kilowatt Recommended Electric Home Heating Dealer for an estimate.

He is listed in the Yellow Pages under "Heating Contractors."
