

Pulp Wood Co. Offers Trees To Landowners

Farmers of Lancaster County are being reminded that right now is the time to plan for tree planting to be done in the spring of 1968. As in past years, The Glatfelter Pulp Wood Company of Spring Grove, Pa., will again furnish free tree seedlings to any interested and qualified landowner. Since the inception in 1951 of the Company program, nearly 10 million seedlings have been furnished to landowners in 13 southcentral Pennsylvania counties.

Tree species available this year under the program are white pine, Austrian pine, Banks pine, pitch pine, Norway spruce, white spruce, Japanese larch, European larch and Virginia pine. Orders are filled on a first-come basis so it is important to get your order in early to assure receiving the species you want. All trees are purchased by the Glatfelter Company from the Pennsylvania Department of Forests and Waters. The Company imposes no restrictions of any kind, but the landowner planting the seedlings must comply with normal state regulations regarding these trees. That is they may not be used for Christmas trees, decorative purposes, or for windbreaks. Minimum order acceptable is for 1,000 seedlings. All trees are the property of the landowner and he may cut them at a future date for any wood products he desires.

If you are a landowner who is planning to plant trees in 1968 and wish to receive free tree seedlings, act now! To obtain information about placing your order see your local County Agent, your Forests and Waters Department District Office or write directly to The Glatfelter Pulp Wood Company, Spring Grove, Pa. All necessary information and order blanks will be mailed to you

ing the species you want. All trees are purchased by the Glatfelter Company from the Pennsylvania Department of Forests and Waters. The Company imposes no restrictions of any kind, but the landowner planting the seedlings must comply with normal state regulations regarding these trees. That is they may not be used for Christmas trees, decorative purposes, or for windbreaks. Minimum order acceptable is for 1,000 seedlings. Lititz-Manheim 4-H Club Wins Capon Awards

Two members of the Lititz-Manheim 4-H Club won the top awards in the annual Dressed Capon Exhibit held Tuesday morning at the Elks Club in Lancaster.

Michael Peifer, 12-year-old son of Mr. and Mrs. Mervin Peifer, Manheim R1, had the grand champion birds. Last year he had the reserve entries.

Showing the reserve grand champion capons this year was Robert Miller, Lititz R3. Robert is the 16-year-old son of Mr. and Mrs. Charles N. Miller.

Linda Porter, of the Penn Manor Club, had the best record book based on management and record keeping. Linda is the daughter of Mr. and Mrs. Edgar Porter, Washington Boro R1.

NEW JOHN DEERE 70 SPREADER

Its specialty is hard-to-haul, semi-liquid manure

Hauling beddingless, high-moisture manure from paved barnyards and feeding areas can be a real headache. Not so with a sturdy side-unloading John Deere PTO-driven 70 Flail Spreader.

Leak-proof tank-type construction of the new 70 prevents soupy stuff from running out before you get to the field. Stop in soon. We have dependable John Deere conventional spreaders, too.
