IF YOU ARE A HORSE OWNER HERE IS THE FEED YOU NEED TO ASSURE **BALANCED NUTRITION!**

FOAL FEED

This feed provides balanced protein and energy and high levels of calcium, phosphorus and vitamin D so essential to the development of bone. Horses reach early maturity when they are fed Red Rose Foal Feed. Try it.

DON'T FORGET MINERALS!

Dairy cows, heifers, steers and horses need minerals that pastures cannot supply. Red Rose "Super" Mineral contains calcium, phosphorus, fluorine, iron, manganese, zinc, copper, cobalt and iodine - all the minerals needed to guard against deficiency. Be sure Red Rose "Super" Mineral is in your feed troughs.
