## Eastern Pennsylvania And New Jersey

### Weekly Review

Prices of light type hens continue to hold steady. Demand spotty as some processing plants remain closed following the holidays. Offerings fully adequate for current call. Demand on heavy type hens, fair, however, offerings very light with receipts for local dressing plants generally arriving from New England or Delmarva to fill needs. Prices paid at farm: Light Type Hens 3-4½, mostly 4-4½, Heavy Type Hens 4-4½. **TFEW TURKEYS** — Trading generally light and consisting mostly of small lots of young toms.
