

# MARKET EGG PRODUCERS

## EFFICIENCY PAYS

### DO YOU KNOW THAT:

- A 12½% reduction in feed required per dozen eggs equals a saving of approximately \$350.00 per 1000 hens.
- That our Early Bird All Mash Laying Feeds will definitely produce BETTER SHELL QUALITY over the laying year?
- That each ½% improvement in breakage can improve your income by \$36.00 per 1,000 hens housed?
- A price improvement thru BETTER GRADE of ½ cent per dozen amounts to approximately \$100.00 per 1,000 hens housed?
- If your feeding program gives you 1% better hen house livability and ½ dozen more eggs per hen housed, it can mean as much as \$175.00 extra return per 1000 hens?
- That GOOD records pay big dividends? Without accurate records you CAN NOT fairly judge the value of your program?
- That it's not the START, it's the FINISH that counts.
