# AGWAY

## This is a Truckload of Extra Profits

Every crop you plant can benefit from correct applications of lime. Your fertilizer will work better. Soil organisms thrive. Organic matter releases nutrients more rapidly. Soil structure is improved. More trace elements become available. Call your Agway store or representative and ask for immediate spreader service. But do it now.

## MOIST LIME "The lime you can't afford to miss"

Why spend money to lime your neighbors fields when you can use moist lime and keep it where you want it.

## JUDGE THE GEHL MIX-ALL ON YOUR FARM!

Arrange now for a Mix-All demonstration and we'll grind and mix a few tons of feed FREE!

We make this offer because we're sure you'll like the Mix-All features: (1) 66 thin hammers that cut . . . not pound . . . grain and hay to uniform size; (2) variable speed drive on the auger feeder; (3) twice as many hammers per square foot of screen area than other mills; (4) fiberglass mixing tank (optional) . . . no rusting, no condensation, no feed bridging, no up-keep or color fading; (5) rugged construction from hitch to hopper and mill to mixer.

But . . . how about judging this for yourself? Call now to schedule a Mix-All demonstration on your farm.
