

"One of the serious and valid criticisms of the Soviet regime is the lack of freedom for Russians to travel abroad without government approval. How far the United States of America has come miserably down the same objectionable trail of government control is exemplified by the current consideration of travel taxes and restrictions on visits outside this hemisphere." —San Diego Union

Around The Chicken Coop

WHEN YOU BOUGHT IT YOU SAID IT WAS TO REST MY BACK AND THIS IS THE BEST WAY I CAN THINK OF.

Use Conestoga Brand Fertilizer From NOW Through SPRING!

FARMERS ARE GLAD TO KNOW...

WE OFFER:

FARM AND HOME SAFETY PRESENTATION, at the Eastern Lancaster County School District Safety Through Art contest. (left to right) Michael Nahalka, Art Teacher; Walter Wunderly, Principal;

Henry Givler, Area Vo-Ag Supervisor and the contest winner John David Zimmerman, sixth grade student at the Blue Ball Elementary School. L. F. Photo

● Elementary (Continued from Page 1)

student had the opportunity to draw or paint a picture showing how he or she has or might practice safety around the home, farm, or community. Each school in the district had its own elimination contest and selected the best pictures in each of the categories to send to Garden Spot Senior High School where the final judging took place Wednesday afternoon.

The best art work of the show was done by John David Zimmerman, East Earl P1, with his entry showing the hazards of fueling a tractor when it is hot. John David is the 12-year-old son of Mr and Mrs Paul N Zimmerman and a sixth grader at Blue Ball Elementary School.

The reserve champion was Ruth H Sauder from Union Grove Elementary School. Her winning entry was in the category of streets.

First place under Animals went to Anna Mae Shirk from

Beartown Elementary School: Martha Zeiset, also from Beartown, was first in the Hunter class.

Erma Zimmerman, of Brecknock, was first in the School category and two Caernarvon students, Anna Mae Mull and Ella Ringer, were first in Home and Farm Safety, respectively.

The trophies, plaques and ribbons were donated by New Holland Division of Sperry Rand.

The Satisfaction That Comes From Doing A Good Job Of Farming

It's a great feeling to know that you are the master of your farmlands . . . that when you treat your soil right, it will treat you right. Liming is one of the most important factors in keeping your soil in the highest productive range. A good pasture with a pH of 6.5 or higher, for example, will make 300 to 400 lbs. of beef per acre and produce up to \$100 gross income per acre. This means with the help of lime, profits from pastures can compare favorably with feed or grain crops.
