VOL. 13 NO. 26

Lancaster Farming, Saturday, May 25, 1968

\$2.00 Per Year

### Wheat Farmers Favor Acreage Reductions

Wheat farmers' representatives who took part in informal hearings May 13 on 1969 National wheat acreage allotment generally favored 10 to 15 percent reduction from 1968 acreage allotment, according to U S Department of Agriculture officers vho conducted meetings on behalf of Secretary of Agriculture Orville L Freeman

Additional acreage reduction through payments for diversion below reduced allotments was also quite generally recommended USDA people reported.

Informal hearings were held at 10 locations throughout the country to enable producers. their organization leaders, and people of wheat trade and processing industries to express views and recommendations with regard to acreage allotment decision that must be made by the Secretary Meetings were (Continued on Page 5)

#### ASCS Grain Bins To Be Sold At Auction

The Lancaster County Agricultı ral Stabilization and Conservation Service again will offer 10 for sale at public auction.

ity bins will be held at 7 pm June 11 at Huber's Camp Site, Marticville.

an opportunity to inspect the 18foot diameter bins from 9 a m to 3 p m on June 7, and during the afternoon of the day of the sale Minimum sale price has been established at \$510.48.

Each bin will be sold separately and must be removed from the premises by June 30 The ASCS said the bins are in excellent condition and include outside ladders. The bins are dismantled

Each purchaser of a bin will be required to execute a certification that the bin will be used in connection with the storage or handling of agricultural commodities, or if purchased by a non-profit agency or organization, an authorized official must certify that the bin will be used for the purpose of such agency or organization.

The Commodity Credit Corporation reserves the right to reject any or all bids. Additional information is available from ASCS office manager Dorothy Y Neel
