

Breeze Through Summer With Milk Products

Summer Refreshers With Dairy Products

By Mrs. Richard C. Spence, Food Editor

SPENCE

When you really need refreshment, count on cool, creamy ice cream. Here's a grand way to enjoy everybody's favorite dessert: serve ice cream in frosty summer coolers that are like sodas made at home with soft drinks or milk. Sparkling, fruity, or chocolaty-rich, these drinks will be a welcome treat, and the makings are items you usually have on hand in the refrigerator.

Swinging Strawberry Shake, not too tart or sweet, has a delightful flavor everybody loves. Top each glass with a scoop of strawberry ice cream for extra pleasure.

SWINGING STRAWBERRY SHAKE

- 1 cup strawberries, sliced
- 1 cup sugar
- 1 pint strawberry ice cream
- 3 cups milk
- Strawberry ice cream

In a small mixing bowl combine strawberries and sugar and beat to mash berries. Add 1 pint of ice cream and continue beat-

ing until softened, gradually add milk. Pour into large glasses and top with scoops of ice cream. Makes about 5 1/4 cups.

NOTE: One package of frozen strawberries (10 oz.) thawed but not drained may be substituted for fresh; omit sugar.

Quick Chocolate Chiller has a special flavor accent; it's made with cream soda.

- ### QUICK CHOCOLATE CHILLER
- 1/4 cup chocolate syrup
 - 1 cup milk

- 1 pint vanilla ice cream
- 3 cups cream soda beverage, chilled

In a small mixing bowl combine syrup and milk; divide evenly into glasses. Divide 1/2 pint of ice cream into six glasses. Fill glasses with cream soda. Stir until blended. Top each soda with a scoop of ice cream from remaining half pint. Serve immediately. Makes 6 servings.

Zippy Cranberry Cooler is a newcomer to the summer beverage list, and its ruby-red dresses up any party or snack table.

CRANBERRY COOLER

- 2 pints vanilla ice cream
- 2 cups cranberry juice, chilled
- 2 bottles (12 oz. ea.) ginger ale, chilled

In a small mixing bowl beat 1 1/2 pints of ice cream until smooth. Gradually add cranberry juice. Divide evenly into glasses; fill with ginger ale and top with scoops of remaining ice cream. Makes 6 servings.

CHERRY CHOCOLATE DRINK

- 6 cups milk, whole or skim
- 1/2 cup juice drained from maraschino cherries
- 1/2 cup chocolate syrup

- 1 1/2 cups instant nonfat dry milk
- 6 maraschino cherries

Combine all ingredients, except cherries. Beat or shake until smooth. Garnish with maraschino cherries. Serve cold. Makes 6 servings, 1 1/4 cups each.

PINEAPPLE MIST

- 1 cup (8 3/4 oz.) crushed pineapple
- 3/4 cup (6 oz.) frozen pineapple-lemon punch concentrate, thawed
- 1 1/2 pints vanilla ice cream
- 1 1/2 pints sparkling water, chilled

Combine pineapple and fruit punch concentrate; divide into 6 tall glasses. Add a tablespoon of ice cream and a little sparkling water to each glass; blend.

Fill glasses 2/3 cup full with sparkling water; stir. Add a scoop of ice cream to each glass; fill to top with sparkling water. 6 servings.

Bargain Food

Milk cost 13c a quart in 1941, while in 1966, it cost 25c a quart. In 1914, a worker had to work about 23 minutes to buy a quart of milk. The same worker in 1965, had to work only eight minutes to buy the same amount of milk. Not only is the average worker working less time to buy milk, but he is spending less of his disposable income on food.

Cotton fibers are carded or cleaned and straightened, so they can be spun into yarns.
