## WHAT'S BEST FOR YOUR COWS?

### RED ROSE HAS THE ANSWER!

It's Red Rose 14 Test-Cow Feed. This is a course-textured all-purpose feed (the finer materials are pelleted) that can be fed to your milking cows, dry cows, calves and bulls — at all seasons. It's especially helpful to keep appetites from lagging during warm weather. Try it!

There are many Red Rose Dairy Feeds to choose from (they're available in many protein levels). When you use these dairy feeds or RED ROSE SUPPLEMENTS mixed with your home-grown grains, you can be sure that the cows in your barn will be eating just about the best feed you can provide. Red Rose Dairy Feeds pay off in the milk pail — where it counts most. Decide to use them on your farm!
