The meeting will be at the Lititz Recreation Center. Members of Society 4 will be entertained. Speaker will be Mrs. Alfred Bartholomew, Lancaster.

## SOCIETY 28

Handwriting analysis occupied the thinking of many Farm Women last week.

Mrs. E. Viola Smith, Lancaster, and a member of Society of Farm Women 1, analyzed the writings of members of Society 23 meeting in the home of Mrs. Howard Martin, Lancaster R2, and members of Society 28 meeting in the home of Mrs. Vincent Hoover, New Providence. Mrs. Ira Welk was co-hostess.

Mrs. Smith, a certified Grapho Analytical Psychologist, one of a few in this area, emphasized to both groups that graphoanalysis is a science and has no association with fortune telling or superstition.

In her discussion, she guided each group toward a personal self analysis of handwriting. She pointed out that the hand portrays what the brain suggests

regardless of the type instrument used to make the letter.

She explained that slant, size, pressure, how the "i" is dotted or when a "t" is crossed can reveal attitudes of the inner person.

Mrs. Smith cited several examples where the use of graphoanalysis in the fields of law, industry, medicine and psychiatry helped persons through problems of life.

Mrs. Roy Book was in charge of Society 28 business meeting. Mrs. Fred Ebersole led devotions. The group approved a gift of \$25 to Halfway House through the Lancaster County Farm Women Project.

The next meeting of Society 28 will be held in the home of Mrs. J. Robert Hess, Strasburg R1, when an interior decorator will present the program.

on the state convention. Mrs. Charles Shaw of the National Story Tellers League presented the program.

The Society will be entertained by Society 7 at the Leacock Presbyterian Church, Paradise, at 1 p.m. on March 8. The next meeting will be held at the Host Motel on April 5. Hostesses will be Mrs. Raymond Buckwalter and Mrs. Elam Buckwalter.

## SOCIETY 23

During the business meeting conducted by Mrs. J. Clayton Charles, Society 23 president, plans were made for a refreshment stand at the household sale on March 29 at the home of Mrs. Harold Hoak, Cental Manor Road, Washington Boro R1.

Mrs. Paul Keagy, ways and means chairman, is in charge. The purchase of a 20 quart soup pot was approved for use by this committee.

Mrs. Andrew Nissley was requested to set plans for a tetanus clinic conducted triannually by the Society. The clinic is tentatively scheduled for later this month.

Plans were completed for Men's Night to be held at Meadow Hills Dining House on March 22 at 6:30 p.m. Garland E. Gingerich, an agriculture missionary to Honduras, will be guest speaker.

A gift of \$10 was authorized to be sent to the Farm and Home Building Completion Fund. Also, a \$10 gift will be sent to the Mennonite Central Committee in memory of Ralph Breneman, recently deceased father of two society members. Mrs. Charles Frey and Mrs. Paul Funk.

Societies 23 and 22 will visit Conestoga View on Thursday, March 20, providing gifts and refreshments. The next meeting will be held on March 27 in the home of Mrs. J. Robert Miller, Charlestown Road, Washington Boro R1. Mrs. Barbara Valavanes will present a program on Greece.

# GROW BIG

## HEIFERS FAST at low cost with... NEW PURINA HEIFER CHOW

More and more local dairymen are proving that a small extra investment in heifer feeding can pay off when heifers freshen and begin contributing to the milk check.

And research has proved that heifers which produce well in the first lactation continue to be high producers over a longer milking life than average cows.

NEW Purina\* Heifer Chow\* has been developed to help you grow big heifers fast, conveniently and at low cost. New Heifer Chow is a palatable, coarse 14 per cent protein ration, fortified with vitamins and minerals to stimulate fast, solid heifer growth.

To build low-cost growth, you need feed only 3 pounds of New Heifer Chow per heifer per day if your legume forages are of good quality. For best results, start your heifers on the Purina heifer growing program at six months of age until 90 days before freshening when they'll be fed on the basis of their condition and on the quality of your forage.

Drop in soon and pick up a copy of our New Purina Heifer Growing Program folder. It explains the program to follow for fast-growing, early-freshening heifers at low cost.

## SOCIETY 4

Robert Millard, speech pathologist, showed a film and discussed the work of the Lancaster Cleft Palate Clinic at a meeting of Society of Farm Women 4 at the Clinic.

A tour of the building with explanation of the use of facilities and equipment followed Mrs. Paul Kauffman presided at a brief business meeting.

Society 1 will entertain Society 4 at a luncheon in the Lititz Community Center on March 29.

Mrs. Carl Sieglis, special activities chairman, reported plans for a miscellaneous auction to be held May 24, a bus trip to Ocean City, N.J., on July 16, and a trip to Philadelphia on Dec 6.

She also spoke of tentative plans to visit an apple canning plant in October asking the group at large to suggest another factory that might be visited in the Biglerville area in order to round out a day long activity.

The next meeting will be held on March 22 at Zion Lutheran Church Landisville, at 1:30 p.m. when Society 7 will be guests. The Rev. H. James Meyers will be guest speaker, using "Mountain Climbing" as his topic. Refreshments will be served following the program.
