Livestock For Sale

For Sale—Purebred Yorkshire boars, bred gilts and open gilts. Carcass championship bloodlines. Willow Glen Farm, R.D. 1, Strasburg Pa. Ph. AC 717-786-2562.

Small grain continues to have a place on many farms but the trend is away from winter wheat and toward winter barley. Wheat prices have been very unfavorable recently and the barley fits into more livestock feeding operations than the wheat. Wheat planted last fall dropped 15% from the previous year. Most of this acreage went into winter barley; this crop is well adapted to southeastern counties. Another report shows that the seed certification of winter barley went up 39% in 1968 over a year earlier; more growers are using barley for winter grain. Of the amount certified in Pennsylvania, 85% of it was of the Pennrad variety. Local growers are with this trend toward barley and many have recognized the merits of the Pennrad variety.
