

AGWAY

PRIME

EVERY TIME

**That's the kind of veal you can
produce on the
Agway-Provimi program**

The growing demand for quality veal represents a new and exciting opportunity for Agway members to make money. Raising vealers is an ideal program that will fit into most any dairy and crop farm operation. Here's why:

- Rearing veal calves requires little time and labor.
- The work is light.
- The investment is modest.
- The need for equipment is limited.
- With good housing and management, risk is relatively low.
- And with the Agway-Provimi Program you will be assured of premium-quality veal and, with it, premium prices.

PROVIMI . . . the symbol of top quality in the veal-producing industry.
