Eastern Pennsylvania  
And New Jersey

Fogelsville

July 29, 1969

Prices of light type hens were slightly higher in instances as handling continued very active. Trade advice indicates occasional unconfirmed sales above the range. Offerings generally limited as producers hold hens for further production at current egg prices.

Offerings of heavy hens are light for fair demand with sales PFEWR. Light type hens 8-11, mostly 10-10 1/4 in Pa.; 9 1/2-10 in N.J.

## Delmarva
