ried and has two children. Edgar was in the 4-H Baby Beef Club as were all four of the Greenleaf children. He was in F.F.A. and was elected a star farmer at Harrisburg. He served as F.F.A. County Vice-president. He was 4-H county tractor-driving champion one year. Scott has worked on the home farm but now has a trucking business. He is married and has one daughter. Martin Jr. worked a great deal in 4-H. He graduated from Drexel Institute of Technology in June. He has a B.S. degree in Mechanical Engineering. He is married and working on the home farm. Says Mrs. Greenleaf "I like cooking, worked in Bart-Colerain Elementary School cafeteria two years. Always have a big garden and freeze and can the vegetables. I live out of my garden summer and winter. I like flowers and have almost every kind. I like to cook and entertain."

One of Sadie's latest activities is co-chairman, with Mrs. Emory Wagner, of the Solanco TOPS Club. TOPS stands for "Take Off Pounds Sensibly." They

have 35 members and meet one morning a week in Mrs. Wagner's home in Quarryville. This is an almost world-wide organization. This group organized last January. They pay 25 cents a week and with this money they crown the lady each week who loses the most weight, also crown the one each month who loses the most. They work only with the advice of their doctor. Here are some of Mrs. Greenleaf's favorite recipes.

**LIME PARTY SALAD**

Melt 1/4 lb marshmallows in 1 cup of milk in double boiler or over slow heat. Stir in 1 small pkg of lime Jello. Dissolve 6 oz. cream cheese in above. Add #2 can crushed pineapple, juice included. Cool and add 1 pkg. Dream Whip (whipped as directed) and 3/4 cup mayonnaise. Put into mold and decorate as desired. (Mrs. Greenleaf as a TOPS member suggests you omit mayonnaise.)

**BOILED CHICKEN POT PIE (with leftover chicken)**

Putting leftover chicken and broth in pan, add enough water to thin broth. Put in a diced

potato and a small piece of celery diced.

For the dough: Use 2 cups flour, 1/2 teaspoon salt and 1/2 teaspoon of baking powder. Mix, add enough water for dry dough that will stay together to roll as pie dough, thin as possible. Cut in squares and drop in boiling chicken broth. Stir two or three times. Lower heat and boil five minutes after adding dough. Shut off heat for two minutes more, then serve. Keep lid on the pan after dough is added and it has been stirred so it will steam.

**CANDIED SWEET POTATOES**

Boil 8 medium sweet potatoes in salt water. Peel. Place in baking dish. On top of stove put 1/2 teaspoon salt, 1 cup brown sugar, 1/4 cup butter, 1 tablespoon corn starch and 1 cup water in pan, bring to boil stirring. Pour over sweet potatoes and place in oven at 375 degrees for 1/2 hour. Serve.

**SUNSHINE VANILLA PUDDING CAKE**

1 box yellow cake mix  
1 box instant vanilla pudding  
1/2 cup cooking oil  
1 cup water  
4 eggs

Mix in order given. Bake in 350 degree oven for 1 hour in angel food cake pan.

**Bean Glossary**

Navy beans are popular for soups, casseroles and baked beans. They are small, oval and white in color.

Great Northern beans are larger than Navy beans but have the same white color. You can use these in soups, salads, casserole dishes and baked beans.

Kidney beans are large and have a red color and kidney-shape. These are popular for use in chili con carne and add a special touch to many salads and Mexican dishes.

Pinto beans are of the same species as the kidney and red bean. They are beige-colored and speckled and used mainly in salads and chili.

Soybeans have a crisp, nutting or snap beans. Now they like flavor. Oil and flour are almost all of the stringless made from them and soy sauce variety. You'll find them green, and soybean sprouts are used in golden wax, long pole or shorter many recipes bush beans.

Lima beans are broad and flat. They are easily dried and stored and once were a basic provision on ships before refrigeration. You can eat them green or in the dried form. Green beans are also called
