TRADITIONALLY NEW... FIELD TO FEEDLOT

Smooth unloading WORM-GEAR DRIVE ...safety bar, too!

New worm-gear drive. New pintle-chain cross conveyor. Safety bar protection, too! Gehl forage boxes make smooth, positive, safe unloading a way of life! Set the unloading pace you need, get the unloading pace you set.

Gehl boxes have a full seven-foot inside width with "grain-type" unloading. A standard eight-inch unloading extension makes it easier to direct material where you want it. When purchased with a spring-loaded rear door, unloads bales, too.

Gehl forage boxes excel! See us today.

Make us prove it with a Demonstration!
