**Use Corn Picker Carefully**

For safe and efficient corn picker operation Extension Agricultural engineers at The Pennsylvania State University urge keeping the corn picker in good working condition. Otherwise, accidents are more likely. A corn picker can snap an arm or hand as easily as a touch ear of corn. Carelessness around a corn picker and other heavy farm equipment results in tragic and painful accidents

**Famed in Literature**

**New Liquid Supplement Offers Palatable Solution For Problem Eaters.**

It's called Arcadian Compensator Liquid Feed. And it's an ideal way to get your better cows and steers to eat more. Compensator includes molasses, protein equivalent polyphosphate phosphorus, sugar and whatever vitamins, trace minerals or other additives your cows require. Combined with your home grown feed, Compensator makes a nutritious balanced ration that problem-eaters take to. You just spray it on. It soaks right in. Sticks to grain. Becomes part of the feed. Best of all, using Compensator to replace dry supplements helps lower feed costs per pound of milk. Until now you've had a problem getting a professional liquid supplement. Now your Arcadian dealer offers a very palatable solution. Arcadian Compensator.

**Watch 'em go for...PURINA!**

Horses really go for Purina. Now you can choose from two great Purina horse feeds—new Purina Horse Chow Checkers with built-in hay or Purina Omolene, a favorite of horsemen for almost 50 years.

Purina Horse Chow Checkers are a revolutionary idea in feeding horses. The hay is built in, eliminating the fuss and muss of hay. For those who prefer to feed hay there's the horsemen's standby—Purina Omolene.

We offer both of these research-developed Purina horse feeds in handy 50-lb bags at our store with the Checkerboard Sign.
