(Continued from Page 20)

- 2 eggs
- 1 1/2 cups applesauce
- 1 cup raisins
- 1 cup chopped nuts

Melt chocolate morsels over hot but not boiling water; remove from water and set aside. Sift dry ingredients together. Combine brown sugar and softened butter and beat till blended. Add eggs, one at a time, beating well after each addition. Stir in melted chocolate. Blend in flour mixture alternately with applesauce. Stir in raisins and nuts. Drop by rounded tablespoons, 2 inches apart, onto greased and floured cookie sheets. Bake at

400 degrees for 8 to 10 minutes. Remove from cookie sheets immediately. Makes about 4 1/2 dozen.

## APPLE FRY-PIES

- 1/2 cup firmly packed brown sugar
- 1/2 teaspoon cinnamon
- 1/2 cup pancake mix
- 1/2 cup sifted all-purpose flour
- 1/2 teaspoon salt
- 1/4 cup shortening
- 1 egg
- 1 tablespoon milk
- 1 cup drained canned pie-sliced apples

Mix together brown sugar and cinnamon in small bowl; set aside. Combine pancake mix, flour and salt in medium sized bowl. Cut in shortening until mixture resembles coarse corn meal. Beat together egg and milk; add to dry ingredients. Stir until mixture leaves side of bowl and forms ball. Divide into 6 equal portions. Roll out each portion between pieces of waxed paper to form a 5-inch circle.

Sprinkle 2 tablespoons brown sugar-cinnamon mixture on each circle to within 1/2 inch of edge. Place about 2 tablespoons apple slices on one half of circle. Sprinkle apple slices with additional 2 teaspoons brown sugar-cinnamon mixture. Fold dough in half and seal edge tightly by pressing down with tines of fork. Fry on lightly greased griddle over low heat about 4 minutes on each side, turning only once. Serve hot. Makes 6.

NOTE: Dough can be prepared ahead of time and rolled out to form 5-inch circles. Stack circles with pieces of waxed paper between each and wrap tightly in aluminum foil, refrigerate. Then proceed as above.

## GLAZED APPLE RINGS

- 4 medium red apples
- 3 tablespoons molasses
- 3 tablespoons butter or margarine

Wash and core apples, do not peel. Cut apples into approximately 1/2-inch slices. Heat molasses and butter in a skillet; add apple slices. Turn to cover with molasses-butter mixture. Sauté 10 minutes or until tender, turning and basting occasionally. Use as garnish for baked ham. 6 to 8 servings.

soaked appearance. These are usually mushy and wasteful.

Don't be alarmed by patches of russeting or coarsening on the skin — this is nature's way of protecting the delicate pear from too cold weather.

## Use Corn Picker Carefully

For safe and efficient corn picker operation, Extension Agricultural engineers at The Pennsylvania State University urge keeping the corn picker in good working condition. Otherwise, accidents are more likely. A corn picker can snap an arm or hand as easily as a tough ear of corn. Carelessness around a corn picker and other heavy farm equipment results in tragic and painful accidents.

## Prune Forest Trees

Pruning young forest plantings as long as you can reach the branches with a pruning hook assures clear, straight trunks, and provides a better timber crop, says Edward P. Farrand, Extension forester at the Pennsylvania State University. The trees should be pruned down to one vigorous leader for development of a longer main trunk.
