

**Apply Lime In The Fall
For A Better Crop
Next Summer**

Fall liming assures proper limestone distribution in the soil, ready for spring planting. The freezing and thawing of winter aid in the process of limestone dissemination. So, why wait, correct your soil deficiency now by liming, and reap a bigger harvest next summer.

How To Choose A Gift

During this time of the year thousands of people are giving serious thoughts to gift giving.

Some find this a frustrating experience says Elizabeth Langsdale, Home Furnishings Specialist, University of Maryland. because they haven't learned how much fun it is to select a gift for a friend or family member.

Miss Langsdale says that she has a guide that she uses and she thinks others might like to try so that from now on every gift they give will have special meaning and be appropriate for the occasion and the recipient.

Money spent on a gift has nothing to do with its importance, says Miss Langsdale. It is the love and thought behind a gift that counts. The word gift is made up with four letters which

indicate guides for use in selecting gifts.

G=Giver.

A gift should express the giver in some way, she continues. He may give of himself by making a gift, by giving away a prized possession, by sharing treasures found while on a trip, or by purchasing something he knows the recipient will like very much.

I=Imagination which enters into gift giving twice, or maybe three times, she says.

The designer uses his imagination to create an item to be manufactured. The person making or selecting a gift uses his imagination in selecting the gift, the recipient uses his imagination in the way he uses the gift.

Sometimes, it takes a great deal of imagination to success-

fully use some gifts we receive, says Miss Langsdale.

F=uture use and value. The longer a gift is used the more valuable it should become, she continues. Value may be either sentimental or monetary.

Precious stones, gold, silver, antiques and similar items are more valuable as they grow old. However, thru the years, it is often sentimental value which is most important.

T=Timeliness. All gifts should be timely. They should be appropriate for the occasion and the person.

Timely gifts make it possible to say we care. We add our love and best wishes to those of others who share in special moments of happiness, or maybe even sorrow, Miss Langsdale continues.

Surprise gifts — just for the fun of it, can also be timely, especially if they give a lift or laugh to someone who is depressed or unhappy.

These four words — giver, imagination, future and timeliness, are easy to remember for the first letter of each spells gift, says the Extension Home Furnishings Specialist. Let these words guide you in giving the perfect gift. It will be greatly treasured, for more than an object will have been received.

Fulton Grange #66 held their semi-monthly meeting Monday at the Grange Hall in Oakryn with the Master, Richard Holloway, conducting the business meeting. \$33.00 was given to the Lancaster Co. Mental Health Association for the hospital Christmas fund and \$25.00 to the Lancaster Co. IFYE Fund to help send an exchange student abroad. Mrs. Jesse Wood is in charge of a tour of some places of interest in Lancaster some time in January.

The Youth Committee reported a good attendance at their bowling party Nov. 15 and their dance for the young people Nov. 22 and announced Christmas carolling for Dec. 20, 7 p.m. Anyone interested in bowling in a Grange league should contact Miss Sylvia Shirk.

Mr. & Mrs. Clifford Holloway Jr. and Mr. & Mrs. Stanley Stauffer attended part of the 103rd annual session of the National Grange held recently in Daytona Beach, Fla.

Mrs. Jesse Wood presented the program which featured Miss Christine Weaver, Fulton Grange's contestant for the Miss Solanco pageant Nov. 29. She gave her rendition of "Charlie Brown." Mr. John Taddie, principal of Solanco Sr. High School, gave a talk on "Recent Changes in Secondary Education in Solanco Area" and answered questions concerning their curriculum.

And be renewed in the spirit of your minds.—(Eph. 4:23).

Everything we do is done with a certain attitude and a certain set of ideas governing our actions and reactions. By becoming conscious of the ideas and attitudes we hold, we become aware of what has limited us as well as of what has been a blessing to us. Today, let us concentrate on applying fresh, new and interesting ideas to each situation and discover rich blessings.
