Blue Laws

The name, Blue Laws, originated in the Connecticut colony, which printed a set of firm statements of what to do and what not to do, and bound them in a blue paper cover.

A man's wisdom makes his face shine. (Eccles. 8:1).

All of us have a need to understand, assimilate and to remember. Courses, teachers, books are priceless. We gain the most from their help, however, if we go first to the source of all wisdom the God-Mind in us. As we become attuned to God-Mind, we see, we understand, and we remember. Working from this starting point we grasp facts, retain knowledge, make sound judgments, and express ourselves early.

Don't Gamble With Security

Money laid aside for retirement, a college fund, or family welfare deserves special treatment. It should be saved where there is no question about safety. It should be readily available without penalty. It should earn a good return. That's why most people use a savings account in which to accumulate a reserve. We invite your account, and in any amount, it's welcome.
