

# GRANGE NEWS

Lancaster County Pomona Grange #71 held a dinner meeting January 17, 7 P M at Rhoads Spanish Restaurant, Quarryville. Charles McSparran, Master, conducted a business meeting following the dinner and reported on the State Grange Convention held at Lewistown in Oct. Mr. and Mrs. Loran Brinton gave reports of attending Perry Co. Pomona Grange in Nov.

The resolution committee was Charles L. Ambler, Miles E. Cochran and S. Ralph Wanner. The following resolutions were adopted:

1 WHEREAS, There is before the Pa Legislature a bill to raise the fees for registration of passenger cars from \$10 to \$20 and the fees for trucks by various amounts depending on their size and weights but by lesser percentages than those of the passenger cars

WHEREAS, We believe that the trucks should pay their fair share of the cost of building the highways as the cost of construction is increased to carry the added weight carried by the trucks

WHEREAS, The auto fees have not been increased for many years but the cost of labor, material, property damages and everything that goes into the cost of construction of the highways, and maintenance of the existing ones, have increased very considerably

WHEREAS, We believe that in order to keep our highways in good condition and to build new ones we need more revenue but not by increasing the fees by 100% Therefore be it

RESOLVED, That Lancaster Co Pomona #71 wishes to go on record in favor of increasing the fees for passenger cars from \$10 to \$15 for 1970 IF the fees of the trucks are increased by the same 50%

2 WHEREAS The Board of Directors and Professional Advisory Committee of the Lancaster County Mental Health Association have issued an opinion that violent films and programs on television do affect an individual's behavior negatively Be it

RESOLVED, That we, the members of Lancaster County Pomona Grange #71, show our concern in this area and recommend better television programs with less violence on all television networks

3 WHEREAS, The small town or rural medical Doctor is fast disappearing from our midst leaving some communities with the nearest Doctor twenty to thirty miles away And

WHEREAS The large city Doctor is inclined to accept patients only by appointment and no house calls, many individuals

(Continued on Page 20)

Soft petals bloom with this flower-faced cushion. The stylized design is in full bloom for autumn. The flower is radiantly embroidered on brown linen in red, orange, and yellow six-strand floss outlined in black. The cover will fit a round pillow, 15 inches in diameter. Free instructions are available by sending a self-addressed, stamped envelope to the Needlework Editor of this newspaper along with your request for Leaflet PE 4126.

## Ladies, Have You Heard? . . .

By Doris Thomas, Extension Home Economist

### How To Buy At Clothing Sales

Clothing sales may offer an opportunity for you to buy clothing at reduced prices without sacrificing quality. But sales also may cause you to buy garments you don't need or really want.

Have a definite wardrobe plan to help avoid impulse buying.

Learn store policies, find when various items will be reduced, and whether the sale items are returnable.

Try to know the original prices of sale items. Then compare prices to be sure you're getting real price reductions.

When possible, shop the first and last day of a sale. The best selection is offered the 1st day, and further price cuts may be offered the last day.

Examine merchandise carefully. Check size, color, style, and condition of the garment.

Inspect seconds and irregulars. They may be good buys unless flaws affect their use.

Check guarantees on sale merchandise.

### Bathroom Safety Tips

To avoid electrical shock, never touch any electric fixture or appliance with wet hands, or while standing in the bathtub, or shower, or in a damp place.

If possible, keep radios, electric heaters and hair dryers out of the bathroom.

Light fixtures controlled by a metal pull chain should have a nonconductive string attached.

To prevent falls, have a sturdy grab rail firmly anchored in the wall at the side of the tub for use when standing or getting into the tub.

Be sure curtain and towel rods are also anchored firmly. A bather feeling himself falling may grab instinctively for the nearest support which is often the shower curtain or towel rod.

Bathtubs and showers should have a nonslip bottom or floor surface. Nonslip adhesive strips can be installed easily or use suction-type mats. Bath mats should also have nonslip backing.

To avoid cuts, use plastic containers instead of glass ones, which can break if they fall.

### Hitting The Spot

To remove grease stains from washable fabrics first rub with a dry cake of soap then wash the garments thoroughly.

THOMAS

A small piece of stale white bread will rub out most ink or pencil marks on clothing that's washable.

Try nail polish remover to get the gummy residue of adhesive tape off your hands.

Anytime you spill coffee on your clothes, a wipe with a cloth dipped in cold water will remove any marks.

### VICTOR ADDING MACHINES

We have them in hand-type or electric. They add and subtract. We will rent but they are priced low enough to own. Buy from Zimmerman's, your dependable dealer where you can look for service.
