

WHO TALKS TO COWS?

We don't! But, we talk to dairy farmers. And not just once in a while, either. We talk to dairy farmers every day. What do we say? "How's milk production?"

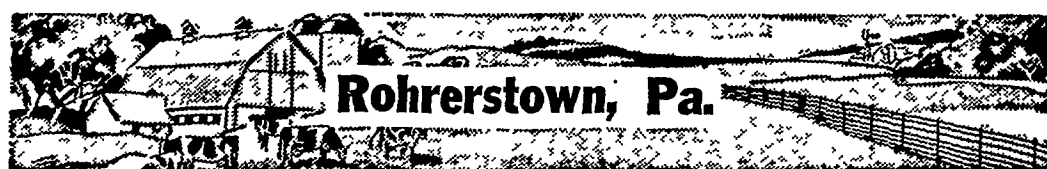

What have we learned? That Green Pastures Dairy Feeds are the best value you can buy in a milk producing feed. Of course we aren't satisfied with it, yet, and we keep looking for ways to improve the best. That's why we keep talking to farmers. We'll appreciate talking to you, too!

Interested in trying Green Pastures? Just call 392-2145. Our Dairy Specialist will tell you just how to get the most for every feed dollar you spend. He'll explain why Green Pastures Dairy Feeds mean more milk at less cost. And he'll offer assistance in programming, planning, management.

He'll also ask you ... "... How's milk production?" And he won't charge you a penny!
