BUX[®] TEN.

For resistant and non-resistant corn rootworms

MAKE YOUR CORN YIELDS STANDUP AT HARVEST

Bux saves yields! It kills corn rootworms — — — resistant or not — preventing root damage that stunts plants and causes lodging.

Bux is Recommended in all Corn Belt States. Both university and on-farm comparisons have shown the outstanding effectiveness of Bux.

Farm Women Societies

SOCIETY 23

"The Mitten Folk" by Miss Mary Rose, retired teacher of Lancaster, was presented at the February meeting of the Society of Farm Women 23 in the home of Mrs Leroy Funk, Washington Boro RD1. Mrs. J. Clayton Charles led devotions.

Miss Rose, who as a teacher accumulated a bushel of single mittens, twisted and shaped them into animals and objects and related stories about her created folk

During the business session conducted by Mrs Robert Rohrer, president, a gift was approved for the Raymond Shenk family of Mountville. Mr. Shenk, whose life depends on the use of a kidney machine, is formerly from the Washington Boro area. Ten dollars was also given to the Easter Seals campaign

Mrs Melvin Hostetter, ways and means chairman, began preliminary planning for refreshment stands at two sales to be held in March, one at the Harold Greider farm on March 11 and at the Edgar Barley residence, Washington Boro RD1 on March 28

The next meeting of the Society will be held on March 26 at 7:30 p m in the home of Mrs Jay Charles, Washington Boro Road, Washington Boro RD1. A spelling bee will be conducted

SOCIETY 24

Society of Farm Women 24 met at the home of Mrs Floyd Myer, Burgman Road, New Holland. Mrs Leo Snader presided. Mrs Myer conducted devotions

During the business session, the group voted to support any immediate bona fide need request from public assistance department when contacted by the County Farm Women president. Awards will be given to home economics and vocational students graduating from Conestoga Valley and Garden Spot High Schools again this year

The group acted to write letters individually to state representatives Marvin Miller, and Richard Snyder concerning the resolutions adopted by the state group at their convention in Harrisburg in January, especially dealing with pollution and conservation

by Mrs Daniel Will. Society 4, who displayed her decorated eggs and explained how to get started on such a hobby.

The next meeting of the group will be a banquet at the Willow Valley Restaurant on April 1 when husbands will be guests. Dr Calvin Wenger will speak on the topic "From Where I Stand"

SOCIETY 5

Farm Women Society 5 held their meeting Saturday at the home of Mrs Roy Hershey, Manheim. Mrs Hershey's granddaughter, Mrs Karl Keller, was in charge of devotions. Donations were given to Easter Seals and the Upper Room for Vietnam. The speaker for the afternoon was Mrs John Hess who spoke on decorating eggs

The next meeting will be held at the home of Mrs Clyde Hottensten, 1400 Country Club Drive, at 12:30 p m and a covered dish luncheon will be held. The speaker will be Anna Mae Eby on her trip to Alaska and she will also show slides.

VISIT WITH US AT DAIRY DAY

FREY FREE STALL

Lifetime Free Stall Housing

Cut bedding costs 75%, reduce labor for barn cleaning and cow washing; reduce teat and udder injury to the minimum — house your milking herd in free stall housing. Each cow provided a stall for loafing. She won't be stepped on, the rear curb forces manure out into alley for mechanical cleaning or washing. A few minutes twice a day cleans the stalls and curbs, bedding lasts almost forever if your stalls fit the cows. Popular sizes are 6'6", 7' and 7'6". Size 'em by breed.

Our free stall partition may be mounted on wooden head boards or we make a steel divider. Set the legs in 8 to 10" concrete curbs to hold and retain bedding. Stall floor can be soil, sand or gravel. Bedding — straw, sawdust, peanut hulls, ground corn cobs, etc. Should be installed with paved alley surface 8 feet wide for mechanical cleaning or washing.

- 8 Models all steel welded farm and feedlot gates
- 2 Models all steel welded head catch gate
