

Kirks Mills' Flying Farmers

(Continued from Page 20)

She wants to pilot the airplane but can't solo until she is 16, nor get a license until 17. Roxana is in sixth grade at Swift Junior High School and loves math.

The Wilsons are members of Little Britain Presbyterian Church and Sunday School where Mr. Wilson teaches the men's Bible Class once a month. They have always been active in community affairs such as PTA. Mrs. Wilson was president of SPATS the first couple years when it organized. A few years ago she taught at Daily Vacation Bible School.

Ruth is a member of the Daughters of the American Revolution in Mineral Wells, Texas. Her illustrious mother belonged to D.A.R. from 1922 until her death two months ago. She was a

past Regent of the Ralph Ripley Chapter of D.A.R.

Mrs. Hill spent 30 years in research and in writing her family history and succeeded in completing it just before her death in March. Also Mrs. Hill was the first white woman to go down the Rio Grande in a row boat through the Boquillas Canyon.

The Rev. Mr. Hill was instrumental in getting Big Bend National Park on the border of Texas and Mexico, some of his writings on the Big Bend having been in the Congressional Record.

Rev. Hill was also an accomplished artist. This talent has been inherited by Mrs. Wilson and daughter Judy. Ruth likes to water color and has done some nice pictures. Judy has some nice pictures to her credit also.

Mrs. Wilson is enrolled in a

ceramics class at Solanco High School and enjoying it. She has several hobbies. One is making leaded stained glass objects such as bugs, butterflies and flowers. She dries and presses flowers. She makes posters for community activities. She used to sew and make clothes for her girls when she had a little more time to do it.

She has lots of nice family antiques, both in furniture and dishes. She hunts out and collects old bottles. She loves to read. And she says she enjoys cooking when she's not pressured for time.

Here is a recipe Mrs. Wilson received from an I.F.F. queen who lives in Minnesota.

PIZZABURGERS

- (Serves 25)
- 2 pounds ground beef
 - 2 12-ounce cans pork luncheon, ground

- 1 teaspoon salt
- 1 teaspoon sage
- 1/2 teaspoon oregano
- 1/4 pound cheese (American, grated or ground with the luncheon meat)
- 1 1/2 pint spaghetti sauce (use dry mix)

Blow beef. Add remaining ingredients and simmer until hot. Place on open face hamburger buns. Bake in hot oven (425 degrees) 12 to 15 minutes.

Mrs. Wilson suggests everything for this next dish can be taken along on a camping trip.

GOULASH

- 4 or 5 tomatoes (or 1 can or 1 pint jar)
- 2 sweet peppers (or 1 small can pimentos)
- 2 or 3 onions
- Salt, pepper, and 1 teaspoon chili powder

Cut onions small, fry slowly in 3 tablespoons bacon fat or margarine. Add tomatoes and peppers cut in pieces (peel tomatoes). Add seasoning.

Cook slowly until very "done" and almost dry. Remove from stove, let cool a few minutes. Add 1/4 cup cream or canned milk. Serve on toast with grated (American) cheese on top.

Here's a nice snack even a child can put together.

BANANA ORANGE SHRUB

- 1/2 cup sugar
- 1 cup water
- 1 9-ounce can frozen concentrate for imitation orange juice
- 1 1/2 cups water
- 1 tablespoon lemon juice
- 1 ripe banana

Mix sugar and 1 cup water in saucepan, bring to a boil, stirring until sugar is dissolved. Cool slightly. Mash banana and add sugar syrup and remaining ingredients, mix and pour into shallow pan. Freeze until mixture is the consistency of soft sherbet — about 5 hours. Spoon into small glasses or use as a topping for fresh or frozen fruit.

Makes about 1 1/2 cups or 6 to 8 servings.

Next recipe came from Mrs. Wilson's mother who grew up in Concord, Mass.

CLAM CHOWDER

- 3 slices bacon
- 2 medium onions
- 3 or 4 potatoes
- 2 carrots
- A couple stalks celery if desired
- 3 cups milk
- 1 7 1/2-ounce minced clams (2 cans may be used)

1 cup cracker crumbs
Salt & pepper

Mince bacon and onions, fry slowly until bacon is crisp and onion tender. Add potatoes, carrots, celery, cubed. Add 1 cup water. Cover tightly. Simmer until vegetables are tender. When ready to serve add clam, milk, cracker crumbs, salt, pepper. Bring to a boil. DO NOT BOIL.

FLUFFY COCOA FROSTING

- (for 2 8 inch or 9 inch layers)
- Cook 2 cups milk and 3 tablespoons flour on medium heat until heat until thick. Cream well together.
 - 6 tablespoons butter
 - 5 tablespoons shortening
 - 2 cups sugar
 - 4 tablespoons cocoa
- Add cooled flour mixture to creamed mixture. Beat with electric mixer until fluffy and sugar is dissolved. Add 1/2 teaspoon vanilla. Stays moist and is delicious.

TOMATO JUICE

- For 1 quart juice add before or after canning juice:
- 1 teaspoon salt
 - 2 teaspoons vinegar
 - 2 teaspoons lemon juice
 - 2 to 4 teaspoons sugar (preferably 4)
 - 3/4 teaspoon Worcestershire sauce
 - 5 drops tabasco (optional or add when opening)

HOLLAND STONE

a luxury you can afford

Inside, outside, you'll find the rich quarried look of HOLLAND STONE adds a touch of real elegance to your building designs. And yet, HOLLAND STONE is one of the most economical building materials today. Its unique versatility in size and shape lends a structural freedom to builders, meeting new ideas, as well as cost problems. Comes in a wide choice of naturally warm, distinctive colors, plus Colonial white.
