

# Manor FFA Holds Banquet

(Continued from Page 24)

Mark Wagner, public speaking; Fred Miller poultry; Dennis Landis, electrification; Bill Landis dairy farming; Melvin Kauffman natural resource development.

In recognition of their service to the Manor Chapter FFA the following awards were presented: D. Richard Hackenberger, Penn Manor ag teacher, Honorary Chapter Farmer and Donald Klopp, Penn Manor senior high school art teacher certificate of appreciation.

Entertainment at the banquet was provided by five members of the chapter. The group presented a skit entitled "Romance at the Old Bar-O."

Following the skit the new officers were installed. They are: Bill Landis, president; Ken Witmer, vice president; Clyde Erb, secretary; Dave Geilach, treasurer; Glenn Newcomer, reporter; Mike Pitz, sentinel; Tim Herr, chaplain.

## all weather weevil control

Alfalfa weevils work in most kinds of weather. So does Alfa-tox. That's why Alfa-tox gives you better weevil control.

Especially early in the season, when cool weather turns off other insecticides.

So forget the weather. Spray Alfa-tox whenever you need control. You can count on it.
