

# Martin Wins County FFA Quiz Contest

At top, Gerald Martin answers last question successfully to win the quiz contest Monday at Manheim Central High School, while Ken Grube, who finished second, is in the background. Both Grube and Martin are Warwick FFA Chapter members. At bottom, Martin accepts the trophy for the quiz contest from Earl Stauffer of Ephrata RD1. Stauffer is state FFA treasurer.

At a county FFA leadership training program for county and local chapter FFA officers, Gerald Martin of Warwick FFA Chapter won a trophy for first place in the quiz contest.

The contest, conducted like a spelling bee, involved answering questions about the FFA.

Kenneth Grube of Warwick

was runnerup in the quiz contest.

Timothy Ruth, state FFA president, was keynote speaker. A banquet was held in the school cafeteria. Later, different chapters presented programs on how to conduct assemblies, etiquette and introduction of guests. Entertainment was provided by

Grassland Chapter of New Holland.

Trophies were also presented to the top three county FFA parliamentary procedure teams and the top three public speaking contestants.

The chapter officers held meetings on the proper conduct of their various offices.

During the county FFA leadership training meeting this week, various chapter officers held discussions of how to conduct each individual office. Among those attending a meeting for chapter reporters were, left to right: Jim White, Pequea Valley; Gary Buchen, Manheim

Central, and Bill Landis, Penn Manor. Zane Wilson, Lancaster Farming managing editor, told the group that news involving local organizations and persons always gets top priority at Lancaster Farming.

## Election Rules Changed For ASC Committeemen

The USDA has announced several procedural changes for the elections of ASC community committeemen.

Local candidates now will be nominated by petitions submitted by farmers. This change provides the opportunity for individual farmers to have first choice in nominating candidates for the committees.

The incumbent community committee can submit names of candidates only if fewer than six have been nominated by petition.

If eight per cent or more of the eligible voters are minority group members, and none have been nominated by petition, at least one of the candidates added to the slate by the incumbent committee shall be a minority group member.

A farmer who is an owner, tenant or sharecropper is eligible to sign a nominating petition and to vote for committeemen. Any six eligible voters may nominate an eligible farmer and may nominate more than one.

A voter may sign as many petitions as he wishes. The petition must have at least six signatures and be submitted between July 28-Aug. 17. The election day is the second Friday in September.

## Tillam<sup>®</sup> lets your tobacco grow free

Selective Herbicide

Your tobacco grows free from most grasses, broadleaf weeds and nutgrass. Free from their competition for fertilizer and soil moisture. Free from repeated cultivations and cultivator damage to young roots. Free yourself to do other important farm jobs that need your attention.

This year, use economical, dependable Tillam on both flue-cured and burley tobacco acreage. Stop the toughest grasses and broadleaf weeds—yellow and purple nuts, crabgrass, lambsquarters, wild oats, barnyardgrass, pigweeds, Florida pusley, goosegrass and others that keep your tobacco yields down and production costs up. Tillam 6-E liquid is easy to handle and apply. Mix it into the soil before setting or place it below the soil surface with covered sweeps. No need to wait for rain to push it down to the weed seed zone. Free yourself from unnecessary work and worry... see us now for your supply of Tillam.
