

Legislators Should Solve Problems Before Fall Election, Grange Says

Fulton Grange 66 held its regular meeting June 22 in the Grange Hall at Oaklyn Richard Holloway, Master, conducted the business session when the Grange went on record opposing the removal of the monument from its present location in center square in Lancaster City.

The Grange also went on record against the irresponsible way of solving the financial dilemma which the commonwealth is in today, stating that instead of appropriating money to run the government for eight months, state legislators should have the nerve to stand up to their legislative responsibilities and solve it now before the general election and not leave the obligation for the next governor to solve.

The Grange took action to inform the Commonwealth Telephone Company of problems many patrons are experiencing with telephone service when repairs and unusual delays in having repairs made.

Grange members attending this meeting signed a petition in support of the President of the United States and the American system of government which will be presented to President Nixon in conjunction with similar petitions from granges all across the nation July 4 which has been proclaimed "Honor America Day." The week of June 28 through July 4 is to be known as "Rededication to America Week."

A \$5 donation was given the American Junior Citizens Club of Solanco to purchase a book on patriotism for the school library. An offering was taken amounting to \$21.65 which was given to the Southern District of the Lancaster County Council of Boy Scouts of America to continue their scouting program and a \$10 donation was voted to the National Grange Youth Fund.

The following people from Fulton Grange attended the Pennsylvania State Grange Leadership School at Gettysburg June 23-25: Mrs. Jesse Wood, Mrs. Stanley Stauffer Jr., Mrs. Charles Reath, Miss Joyce Galbreath, Mrs. Charles McSparran, Mrs. Elaine Stoltzfus and Mrs. Jacob Fantom.

Several members attended the Pomona District visitation meeting June 27 at Woodside, Bucks County and assisted in presenting the program.

The Women's Activities Committee served a banquet to the Friendly Farmers Club June 27 at the Grange hall. The committee is accepting entries for the needlework contest.

The Youth Committee is sponsoring a bus trip to Cowtown Rodeo in New Jersey July 11-12, 1970 leaving the Grange hall at 5 p.m. Miss Sylvia Shirk is taking reservations. Clifford Holloway III is taking reservations for a bus trip to the Baltimore-Boston baseball game at Baltimore August 4. Reservations to attend the State Grange Youth Camp July 17, 18 and 19 must be made through Miss Shirk by July 8.

Mrs. Stanley Stauffer Jr. lectured on the program by conducting a Fathers' Day quiz and also gave a reading "What Is An American."

Boy Scout Troop 330 which is sponsored by Fulton Grange, was present and conducted an informative exercise about flags which were used from the time the colonies were settled to the present time. It was written and illustrated by Rev. Howard Huddleson, one of the troop leaders. David Adsett was narrator.

Scoutmaster Ray Sawyer presented the troop charter to grange master Richard Holloway. David Adsett received a Reading Merit badge and Mark Sawyer a Citizenship in Nation badge in a Court of Honor service. Other scouts taking part in

the program were Richard Black, Mike Shuler, Jeff Witmer and Steve Jacobs.

Salisbury Grange will present a program on "Brazil" at the next meeting July 13, and Coleman Grange will fill officers' chairs.

.22 Ammo Registration Repeal Urged by Scott

Pennsylvania's U.S. Senator Hugh Scott today lined up squarely behind the move in the U.S. Senate to repeal sales registration requirements for .22 caliber rifle ammunition.

Scott, Senate Republican Leader, cosponsored S. 3724, legislation known as the "McGee" bill. The bill would repeal portions of the Gun Control Act of 1968.

Last year, the Bennett-Scott amendment repealed such ammunition recordkeeping requirements for long rifle and shotgun ammunition.

In a speech prepared for Senate floor delivery Thursday, Scott said "I join as a sponsor of S. 3724, a bill to amend the Internal Revenue Code with respect to registration requirements for .22 caliber rifle ammunition. I believe that the present provision in the Gun Control Act places an unfair burden upon a great majority of law-abiding citizens in this country, including over one million Pennsylvanians who use .22 caliber ammunition for hunting and target shooting purposes."

Scott said he was particularly concerned about the "endless forms" which Pennsylvanians have had to stand in line for and to fill out every time they purchased ammunition.
