

Senior Extension Club

The Lancaster County Senior Extension Club will tour Longwood Gardens and see the fountain display Sunday afternoon, July 19.

The group will meet at Lancaster Shopping Center, Lititz and Oregon Pikes, at 1:30 p.m. or at Gap Diner, intersection of Route 41 and 30, at 2 p.m.

The group is for young adults 18 to 35 years of age.

Eight Girls Win Chance At Regional 4-H Contests

Eight girls will represent Lancaster County at the regional 4-H Demonstration Day next week in Chester County.

The girls, competing in junior and senior divisions, earned blue ribbons and the right to enter

the regional contest which begins at 9:30 a.m. Wednesday, July 15, at the Owen J. Roberts High School, Chester County.

Competition Wednesday will be among 250 4-H'ers representing the 13 counties in Southeastern

Pennsylvania. Winners in the region will be eligible to enter the state contest at Penn State in August.

Winning top local honors in the junior division were Judy Resser, of Leola RD1, daughter of

Mr. and Mrs. Allen Resser, for her demonstration "Herbs — Slices of Life."

Cheryl Patschork, for her rabbit project, and her sister, for her African violets presentation. Both are daughters of Mr. and Mrs. Walter Patschork, Lititz RD2.

In the senior division, a team of Nancy Yunginger, daughter of Mr. and Mrs. Richard Yunginger, Marietta RD1 and Cindy Hess, daughter of Mr. and Mrs. Richard Hess, Strasburg RD1, won a blue ribbon for their livestock conservation presentation.

Cindy Smith, daughter of Mr. and Mrs. Grant Smith, Ephrata RD2, won a place at the regional for her bread making presentation, and Deborah Gregory, daughter of Mr. and Mrs. Robert Gregory, Lititz RD2, won for her potato salad demonstration.

In public speaking, Nancy Barley, daughter of Mr. and Mrs. Harold Barley, of Millersville RD1, won with her speech on "4-H—Why and Where."

• Livestock Day

(Continued from Page 1) competition, grading demonstration and competition of calves and yearlings, type comparison of bulls and females, results of Rockview research, and carcass evaluation at the meat laboratory.

At the Sheep Center, discussion will include contrasts and comparisons of type changes in medium wool mutton type sheep, discussion and display of grades and uses of wool, comparison of cytorchids involving rams and wethers for meat production, feed efficiency and rate of gain, and carcass evaluation at the meats laboratory.

At the Horse Barn, a type demonstration will be held, along with judging of halter horses with audience participation, demonstration of reining and western riding, shoeing with demonstration and discussion and visit of the horeshoeing class.

Lunch will be held at noon at the meats laboratory.

At 1 p.m., George Connor, president of the Pennsylvania Livestock & Allied Industries Association will conduct a business meeting.

At 1:30 p.m., David H. Stroud, president of the National Livestock & Meat Board, Chicago, Ill., will give the keynote address on "Past, Present and Future of the Livestock and Meat Industry."

At 2:15 p.m., the movie "Pride and Poise" will be shown of highlights of Penn State's undefeated 1969 football season.

A special afternoon program for high school students will also be held, including

1 p.m., Dr. B. R. Baumgardt, professor of animal nutrition, will speak on "Animal Industry and Science" and at 1:30 p.m., G. R. Kean, professor of animal science, will talk on "Animal Industry and Production." There will be a discussion at 2 p.m., followed by the football movie at 2:15 p.m.

Wheat Referendum Set

A mail referendum on 1971-crop wheat marketing quotas has been set for July 27-31, according to U.S. Secretary of Agriculture Clifford M. Hardin.

By law, in the absence of new legislation, the 1971 wheat crop comes under the provisions of the Agricultural Adjustment Act of 1938. This act requires that a marketing quota referendum applicable to the 1971 crop be conducted on or before Aug. 1, 1970.

AGWAY

AGWAY PRE-ENGINEERED BUILDINGS FOR AGRI-BUSINESS and COMMERCIAL USES

An Agway building to match your individual requirements

Agway Comprehensive building service can mean providing you a conventional dairy barn or a modern free-stall system . . . from plans to ready-for-milking completion.

Special-purpose buildings, such as this potato storage, are part of Agway's years of experience in agri-business construction and planning available to assist you toward more profitable operations.

Not all Agway buildings are designed for agri-business operation. Some, like this horse barn, fill the bill for country living recreation. Whatever your building need or budget may be, Agway has a solution.

Agway building service specializes in dairy barns of various types and sizes to match your objectives in herd size and management practices. Our building specialist, backed by computer analysis, can work with you to tailor the layout to your operation.
