

Earl Stauffer milks his outstanding four-year-old Holstein shortly after the animal had won the grand championship

honors at the Ephrata Fair for the fourth straight year.

Jesse Balmer, who showed the champion Guernsey at the Ephrata Fair, milks his animal as Ken Grube, a friend, looks on.

Princep™ turns weedy alfalfa into alfalfa again.

Spraying Princep™ 80-W on alfalfa this fall, can give you better quality, high-yielding alfalfa next year. It can lengthen the life of your alfalfa stand, and make your hay worth more. If you've got a weedy alfalfa stand spray Princep and you'll cut cleaner hay next year.

Pa. Corn Crops Escape Major Blight Damage

Pennsylvania corn crops, which matured about two weeks earlier than usual, escaped much of the damage of southern leaf blight the Pennsylvania Agriculture Department reported Wednesday.

Dr. Henry F. Nixon, director of the bureau of plant industry, said the disease has been identified in each of 23 counties recently surveyed.

The disease has caused significant losses of corn in southern and midwestern states this year.
