Chester Co. 4-H'ers Enter State Horse Show

Months of intensive practice and competition paid off for some Chester County 4-H members last week when they won awards at the State 4-H Horse and Pony Show in Harrisburg.

Loretta Chienelli, Downingtown, placed second in the state in the Hunter Under Saddle Horse while Frances Dunn Chester Springs, placed fifth in the Working Hunter Pony.

Other county horse club members competing in the State Show were Steve Lester, Uwehland, Kathy Shaw, Downingtown, Natalie Smith Parkersburg, Pam Taws, Paoli, and Stephen Winckelman, Malvern. Riders and their horses, all winners in county and district eliminations, were entered in 25 different classes with members from each district in the Commonwealth competing. Approximately 375 contestants participated in the show.

The primary purposes of the State 4-H Horse Program are to develop riding skills, gain self-confidence by competing in shows, receive training in leadership and citizenship, and learn the meaning of responsibility by caring for an animal. The classes in the state contest gave the members an opportunity to display these skills.

ON AN ALLIS-CHALMERS DISC-HARROW

HERE'S a disc that'll help you cover more acres every hour... so many more you'll think the sun is standing still. An Allis-Chalmers 2200 saves you time and money... gives you the soil pulverizing action you're after.

Gang angles can be changed quickly and easily to match field conditions ideally... and the solid one-piece gang construction keeps all blades revolving together for better leveling and maximum tilling. Factory sealed *Bal-Pak* bearings never need greasing... roll easy for a light draft load to let you cover more ground faster with less fuel consumption.

Beat the sun and stay ahead of big acre tillage operations... with an Allis-Chalmers 2200 Series disc harrow. You'll say Going Orange is Going Great.
