

Manheim Young Farmers Association Has Annual Banquet

Luke Brubaker
Outlines 1971 Program

The Manheim Young Farmers Association held its annual banquet in the Manheim Central School cafeteria last Friday night.

About 180 Young Farmers and their guests attended.

Isaac Geib, Manheim RD3, received a silver platter for his first place in corn production. Geib had 209 bushels per acre.

Second place award went to Vincent Becker, Lutz RD3, for his 200 bushel yield, and third place winner was Luke Brubaker, Mount Joy RD1, with 193.1 bushels per acre.

Miller & Bushong, Inc. (now Pennfield) was given honorary membership for its aid to the Young Farmers. This is the first time the association has given an honorary membership award.

A special citation of appreciation was awarded by the Young Farmers to their advisor, Jess Erway.

Jerry Shaffer, Manheim Young Farmer Chapter awards chairman, left, presents corn production awards to association members at the organization's banquet as follows: left to right, Isaac Geib, first place award; Luke Brubaker, third place, and Vincent Becker, second place.

Dale Hershey, Manheim Young Farmer vice president, introduces guests at the organization's banquet last week. In the background are Mrs. Dale Hershey, left, and Mrs. Jay Kopp, wife of the state Young Farmer vice president.

Jay Kopp, Region II state Young Farmers vice president, brought greetings from the State Association. He urged attendance at the summer picnic in Chambersburg and the state convention in Lebanon in November.

Dale Nolt, Manheim FFA chapter president, called for continued cooperation between the Young Farmers and FFA. He stressed the importance of education, leadership, and recreation.

Luke Brubaker, Manheim Young Farmer secretary outlined the association's 1971 program. This includes educational and recreational meetings and tours.

Dale Kilgore was recognized as the first advisor of the Manheim

Young Farmers when the organization was created 25 years ago. Kilgore and several charter members of the organization were present and were recognized.

The
Satisfaction
That Comes
From
Doing A
Good Job Of
Farming

It's a great feeling to know that you are the master of your farmlands . . . that when you treat your soil right, it will treat you right. Liming is one of the most important factors in keeping your soil in the highest productive range. By raising the pH from a level below 6.0 to 6.5 or higher, you can expect to harvest .8 more tons of alfalfa per acre, with similar increases for all other forage and cash crops.
