On Bargaining

(Continued from Page 31)

meandering in the market place, but also cows wander freely among the people and stalls occasionally snatching a cauliflower to munch.

If the vender sees this theft, he will retrieve his loss and again place it on the unsold pile. But, if the cow is quick enough she may have a bonus that day of some fresh greens.

I am glad we don't have to compete with cows while doing our grocery store shopping!
