

Robert Herr, New Holland area vo-ag teacher, admires the entries in one of several categories in the "Safety Through Art" contest at Garden Spot High School for elementary school students this week. These pieces are in the "Safety On the Farm" category.

Safety, Conservation Art

(Continued from Page 1)

Wildlife Conservation—Joyce Ann Stoltzfus, Beartown, second, and Vera Martin, Beartown, third.

The art entered in the contest at Garden Spot was the best from the various elementary schools following eliminations contests in these schools.

Forest Conservation—Anna L. Newswanger, Beartown, first; Lydia E. Smoker, Beartown, second, and Laura Zeiset, Beartown, third.

An exhibit of the winning paintings will be displayed at Parent - Teacher Association meetings in each school participating, reported Robert Herr, New Holland area vo-ag teacher.

What insurance have you got against corn soil insects?

None? But you've got a big stake in corn. And Diazinon will protect that investment.

Diazinon controls corn's worst enemy — the corn rootworm. Also cutworms, wireworms, armyworms, and seed corn maggot.

Diazinon has controlled soil insects in millions of corn acres. And it's ready to work again this year, whether you apply it at planting or at cultivation.

Stop soil insects attacking your corn. Put Diazinon to work. Call us now.
