## Help Us Serve You

Is your farm organization's meetings making our farm calendar? If they're not and you think they should, let us know.

As a public service to farmers and the farm community, we try to get as many meetings as we can on the calendar. But we miss some.

Remind us by calling 394-3047 or 626-2191 or by writing to Lancaster Farming, 22 E. Main St., Lititz, Pa. 17543. You can help us serve you better.

Council were also chosen. They are April Borry, Christine Eib and Steve Ney.

After the elections, the members of the club chose their projects for this year.

Two new leaders were also introduced. They were Mrs. Wilbur Erb, taking the place of Mrs. John Herr, who had served the club for 21 years, and Mr. Roy Saudei, taking the place of Mr. Paul Hess, who served for 26 years.

The next meeting will be held at 7:30 p.m. April 20 at Donegal High School.

The Bramco Oakes Automatic Cage Feeding System, using the exclusive linkage and trough liner pictured below, has long been recognized as the ultimate in automatic cage feeding. The feed does not move in the trough. It travels through the trough liner, providing each bird with a complete, fully balanced ration. This is just one of the features of this Bramco-Oakes Cage Feeding System that will boost production.

## Best answer yet to fall panicum and crabgrass in corn

Add Princep® herbicide to your AAtrex® spray. Mix in a one-to-one ratio, and apply at the same rate as AAtrex alone. Controls fall panicum, crabgrass, and other fall grasses. Gets the early weeds, too. And, it costs less than other combinations.

See us. We've got the details.
