Mrs. Marian Campbell, direc-

Clyde Wivell, 53, Is Killed

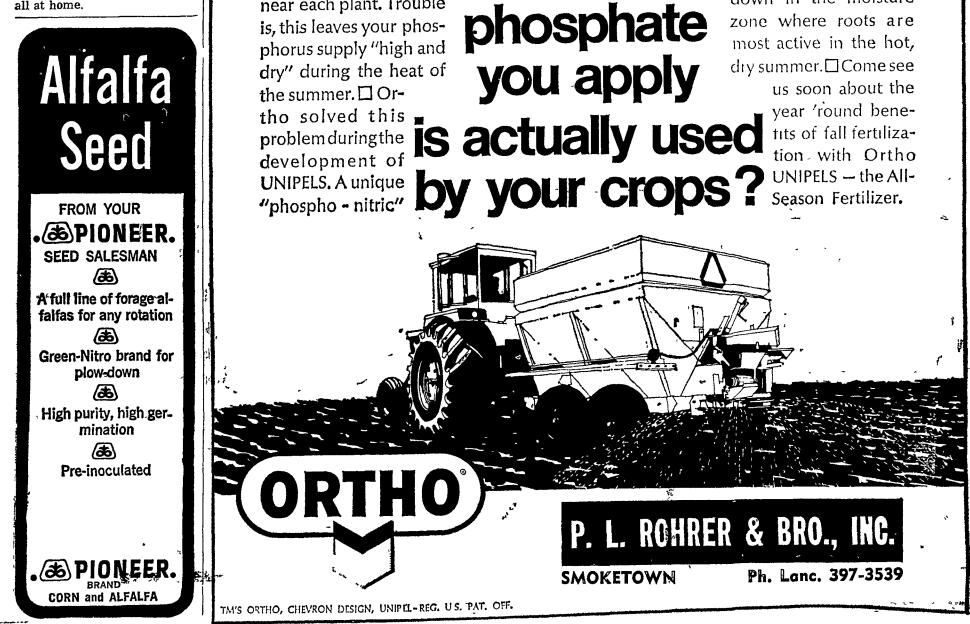

Clyde Wivell, 53, Columbia RD1, well known Lancaster County farmer and farm leader, was killed in a tractor accident at 7 a.m. last Saturday.

Wivell. was landscaping ground behind the Turkey Hill Minit-Market on Route 230 when the wheel of the tractor apparently went off the macadem and upset on Wivell, suffocating him.

Wivell was widely known in the local farm community for his activities including: past president of the Lancaster County Farmers Association; member of the marketing board of Agway Inc., member of Mount Joy Farmers Cooperative Association; current president of the East Donegal Township supervisors, and member of the Lancaster County Crime Commission.

The owner operator of Donegal Creek Farms, Columbia RD1, Wivell is survived by his widow, Helen Martin Wivell, and five children.

The children are Virginia, wife of Donald Ranck, now residing in Brazil, South America; Lilli Ann, wife of Galen Kopp, of Camp Hill; and Joseph, Thomas and Pamela Wivell, all at home.

Unhappily, when you apply conventional fertilizers, much of the phosphate is locked up through fixation in the soil.

We are as close as your telephone

 \Box Up to now, this has been fought by carefully placing the phosphate closer to the surface and near each plant. Trouble is, this leaves your phos- process makes the phosphate in UNI-PELS 100% available, yet makes it resist fixation regardless of how it's applied!

 \Box And when you plow much of the

down UNIPELS in the fall, the phosphorus and other vital nutrients are down in the moisture zone where roots are
