We know many of our readers regularly read a friend's or relative's copy of our publication

We don't mind. We appreciate all our readers

But we wonder if everyone realizes how easy it is to receive our publication

On a yearly subscription in Lancaster County, the cost is less than four cents a week

On a two year subscription in Lancaster County, it's less than three cents a week

Because mailing rates are higher for out-of-county subscriptions, we have to charge more. But out-of-county readers can get the paper delivered every week for a yearly subscription which costs less than six cents a week and a two year subscription for less than five cents a week.

Think about it

In these times of high and rising costs, we're sure you can't find a better bargain anywhere
