County Farmers Assn. Meets

The Lancaster County Farmers Association met at the Farm and Home Center Tuesday night. Mrs. Helen Wivell was named to fill the unexpired term of her late husband Clyde Wivell on the Association's board.

Ivan Yost, Christiana RD1

Sales Supervisor Named

William Patterson, 303 Rolling Terrace Road, Leola, has been appointed regional sales supervisor in the prepared foods division of Victor F. Weaver, Inc., New Holland.

As regional sales supervisor, Patterson will be responsible for food brokers activities and the supervision of Weaver broker representatives and their marketing programs.

was named to represent the association in the state caucus to elect trustees of Penn State University.

The organization's summer picnic was announced for July 31 at Lampeter Fire Hall.

The Association also voted to give \$100 to the Clyde Wivell fund. "No man has done more for the County Farmers Association," James G. Kreider, county president, said.

Membership was reported at 971 in the county and the goal is 1,000. Kreider noted that one member has signed up 28 new members. He urged anyone who hasn't paid membership dues yet to contact James L. Martin, Strasburg RD1, secretary.

Clarence Stauffer was approved as a Safe Mark dealer in the Ephrata area.

It was announced that a few more accounts are needed for the Farm Member Business Analysis Service.

The organization has decided to have booths at the Lampeter and Solanco Fairs.

The organization also discussed the need for new marketing concepts in order to enable the farmer to get a larger portion of the food dollar. Possibility of Lancaster County brand products was reviewed. Kreider noted that the organization is receptive to marketing ideas from interested persons.

**INCREASE YIELDS
\$15.00 AN ACRE
FOR 25¢**

ORTHO ISOTOX® Seed Treater (F) is backed by the best kind of proof a corn seed-treater could have—over one hundred million successful corn acres. All kinds of climate. All types of soil. All sorts of men doing the planting. Yield increases run up to fifteen dollars an acre—from a product that costs about 25 cents to treat a 20,000 plant-population-acre.
