

## Help Us Serve You

Is your farm organization's meetings making our farm calendar? If they're not and you think they should, let us know.

As a public service to farmers and the farm community, we try to get as many meetings as we can on the calendar. But we miss some.

Remind us by calling 394-3047 or 626-2191 or by writing to Lancaster Farming, 22 E. Main St., Lititz, Pa. 17543. You can help us serve you better.

## Local IH Dealers Attend 2-day Show

Several local International Harvester dealers have just returned from Rock Island, Ill., where they attended a two-day showing of International Harvester Com-

### Solanco FFA Member To Attend Conference

Fred Edwards, president of the Solanco FFA Chapter, will represent his school in Washington, D.C. at the National FFA Leadership Conference, June 21-26. Edwards, 17, a senior at Solanco High School, is the son of Mr. and Mrs. Herman Edwards, Quarryville RD.

Over 500 FFA members from across the Nation, selected for their leadership potential will attend Conferences in the Nations Capital this summer. The program is sponsored by the National FFA Organization in cooperation with the U.S. Office of Education, Washington, D.C.

The purpose of the week long session is to provide advance leadership and citizenship training. Conference participants will meet their Congressman, see the Nations Capital, visit the National FFA Center, work with National FFA Officers and exchange chapter program ideas with fellow FFA members.

pany's new 66 Series tractor line, plus two new low profile compact utility tractors.

They included: Charles (Bud) Hooper & Son, Intercourse, "Mert" Messick, Messick Farm Equipment; "Bud" Kauffman, Kauffman Bros.; Chuck Cline, IH Sales and Service, and Larry Herr, IH Zone Manager.

The first of the two-day sessions were devoted to the introduction of six new models of farm tractors in the 79 to 133 hp range, plus two utility tractors in the 40 and 52 hp class in an arena show and later in field demonstrations.

The second day was reserved for a tour of the company's Farmall Works, where the new 66 Series line is being manufactured.

Dealers from 17 district office territories attended the two-day meetings. The six new tractors comprising International Harvester's 66 Series line have the strength to match their powerful looks, it was reported with the new engines and all-new styling they offer easy driving; new comfort and safety features; improved hydraulics; and high-accuracy draft control systems.

In the over 90 hp class, farm-

ers can choose from turbo, non-turbo, gear drive or hydrostatic drive in the new International 966, 1066 and 1466 models, powered with new long-life diesel engines that offer greater power and productivity with less noise and smoke.

Two big new Hydro tractor models, the 966 and 1066, Hooper added, offer one-lever, no clutch, Hydrostatic drive with infinite speeds and change-on-the-go at full horsepower.

The two compact tractors are the newest utility tractors in 20 years, Hooper pointed out.

The various tractor models are available at local places of business now for showing to farmers in this area.

Give  
Your Cattle the  
Pasture They Prefer—

# 988

Sorghum-Sudangrass  
Hybrid from  
**PIONEER**

Strip tests prove it: Cattle prefer Pioneer brand sorghum-sudangrass hybrid over other brands. That means they'll eat more... make more meat or milk. Unbeatable hot-weather pasture or green-chop. Can be planted on diverted acres and grazed after September 1. Treat your cattle to the pasture hybrid they like best!
