

Youths Honored at Poultry Federation Meeting

Six outstanding youths were honored at the annual Pennsylvania Poultry Federation banquet Wednesday at Harrisburg.

Michael Peifer, Manheim RD1, was recognized for placing first in live capons at the Pennsylvania Farm Show in both

1970 and 1971 and for winning the dressed capon award at the Farm Show in 1971. Peifer has taken either champion or reserve champion dressed 4-H capons awards in Lancaster County every year since 1966.

Barbara Sue Hershey, Lititz, 15 years old, has received a

blue ribbon for her capon projects for each of the six years that she has been a member of the Lititz-Manheim 4-H Community Club.

Larry Flinchbaugh, Wrightsville RD1, won first place in the state FFA project record book for broilers. Larry's project

was more efficient than most, including marketing 95 per cent of birds started, producing a pound of gain to each 2.0-2.5 pounds of feed and producing birds ranging from 4 to 45 pounds in eight weeks.

Agnes and Cecelia Arnold, Lebanon RD2, were honored jointly for their work in promoting poultry foods and nutrition. They won the 1970 Keystone foods and nutrition award and won first place in the NEPPCO competition in Cincinnati.

Also honored were Marian

Wertz, Danville RD5, and Pat McBroom, Derry.

John E Creighton Jr, Wayne County agent, received the "Good Egg" award for his work "above and beyond the call of duty" in getting youths involved in poultry projects.

The young people participated in the Federation's educational meeting during the day under the guidance of Herbert Jordan, youth committee chairman.

Herb Jordan, Penn State poultry specialist, center, was in charge of honoring outstanding youth in the poultry industry at the Poultry Federation banquet. Two of six young people honored were from Lancaster County. They are: Michael Peifer, Manheim RD1, whose

awards included first place in both live and dressed capons at the Farm Show this year, and Barbara Sue Hershey, Lititz, who has been a capon project Blue Ribbon winner in each of the six years she has been in the Lititz-Manheim 4-H Community Club.

DOG FOOD

Arcadian Liquid.

Easy way to feed and weed.

Knock off two important jobs in one easy trip. Just add a proper herbicide to Arcadian Golden URAN® or SLF mixed liquid fertilizer while the circulator pump is running, and weed as you feed in one trip over your field. One feed and weed application can do away with several time-consuming cultivations and the resulting crop thinning, root damage and soil compaction.

Your crops grow faster when roots don't have to compete with weeds for plant food and moisture. And the bigger yields are easier to harvest in weed-free fields.

Only liquid makes feed and weed so easy. It's easier still when you have us do the job for you. Our custom application will free you

for other jobs and assures uniform results. So stop in or call. You can count on us to give you the best combination of crop protection chemicals and liquid fertilizers.

See me now.
