

# Farm Women Societies

## Society 2

The Society of Farm Women 2 held their monthly meeting June 12, in the basement of the First Pentecostal Church, Manheim.

Mrs. Elsie Witmer and Mrs. Paul Herneisen were hostesses. Mrs. John Dourte had the devotions and Mrs. Marlin Hosler, president, conducted the business meeting.

The following committees were appointed: Banquet—Mrs. Elva Sweigart and Mrs. Morris Sheaffer and Nominating—Mrs. Alvin Graybill and Mrs. Roy Shelly.

The Vocational Agriculture award of \$10.00 was presented to Dale Nolt and the Home Economics award of \$10.00 was presented to Patricia Hosler, graduates of Manheim Central High School.

Donations of money were given to two needy families.

The members are making ditty bags to be sent to the boys in Vietnam.

Mr. Morris Frontz, driving instructor, at Manheim Central High talked and showed a film on safety entitled "Who Is To Blame?" Announcement was made of the County Picnic to be held at 12 noon Saturday, August 4 at the Safe Harbor Park. It is open to all Farm Women and their families. Each member is asked to bring a covered dish and her own place settings.

There were twenty-one members and two visitors present.

The next meeting will be held Saturday, July 10, at the home of Mrs. William Myer in Myers-town.

A covered dish social will be held.

## Society 7

Farm Women Society 7 met at the home of Mrs. Aaron Johnson, Willow Street, with Mrs. Raymond Eshelman serving as cohostess and leading the devotions.

Mrs. Mildred Hersh, president, announced that the English award of \$25 was awarded to Pequea Valley graduate Beth Ranck, daughter of Mr and Mrs. Donald Ranck, Gordonville.

Society 7 will be participating in the County project supporting the Child Development Center.

Mrs. Hersh was appointed at the recent board meeting to the registration committee for the Farm Women Convention in 1972.

On July 3 Society 7 will operate a stand at the Paradise Flea Market.

The July 10 meeting will be held at Christ's Home, Paradise. Members of the directors family will participate in the meeting, and Mrs. Edward Jerchou will be the speaker.

## Society 8

Farm Women Society 8 met in the basement of the United Methodist Church in Mount Joy Tuesday, June 15. The original plans to hold the meeting at the Eby cottage were changed because of cool, rainy weather. There were 17 members and three visitors present. Hostesses were Mrs. Clinton Eby, Mrs. Charles Shank and Mrs. Anna Groff.

Mrs. Lloyd Derr, president, was in charge of the business meeting. Devotions were presented by Alice Myers.

Short reports were given by those serving on various committees.

Members were informed of the County picnic to be held August 4 at the Safe Harbor Park. Each person should take a covered dish and a place setting.

The next meeting will be held

## Purina Dairy Conditioner Special can prepare cows for good production at low cost

If you're not among the many good local dairymen who have started mixing Purina Dairy Conditioner Special with your own grain to build a research-proved dry cow ration, it can pay you to check into this low-cost way of feeding dry cows.

Purina Dairy Conditioner is a 16 percent protein ration, fortified with extra Vitamins A and D plus phosphorus to help guard against milk fever.

To help you save on dry cow feeding, Purina Research recommends varying feeding levels, depending on cow condition and the quality of your roughages. For example, if a cow is in good condition and your roughages are of excellent quality, you would feed less Purina dry cow ration than if the cow were in only fair condition and if the roughages were of only fair quality.

\*Reg. Trademark—Ralston Purina Co.

Using Purina Check-R-Mix formulas we can build you a low-cost dry cow ration, combining Purina Dairy Conditioner with your grain. Or, if you're feeding low-protein roughages, it may pay you to feed Dairy Conditioner "straight" — just as it comes from the bag.

More and more successful area dairymen are proving that good dry cow feeding pays off in extra cow condition — and extra milk production in the next lactation. For example, 100 to 200 pounds of additional body weight at freshening can pay off in 1,000 to 2,000 pounds of extra milk during the lactation.

Drop in soon and get your free copy of the Purina Dry Cow Program folder. We'll be glad to point out how Purina Dairy Conditioner Special can help prepare your dry cows for good production at low cost.
