## Habegger Is Named to Pennfield Sales Position

Pennfield Corporation of Lancaster has named Joel C. Habegger to the position of General Manager of the Agricultural Products Division, effective immediately. He will be in charge of all Pennfield sales except for the

Joel C. Habegger Gets Pennfield Post

Egg and Poultry Divisions

Habegger, of Akron former president and owner of Eby's Mill in Litzitz and Hempfield Mills in East Petersburg, replaces Hendrik Wentink, of Wyomissing, who will become assistant to Pennfield's president, Robert Graybill.

Habegger joined Pennfield earlier this year when he sold his companies to the corporation. He has been in farming and the feed business all of his life.

Born on a farm in Berne, Indiana, he started work as a cow-tester for Purdue University while studying there later he was a herdsman in Ohio while attending Ohio State University where he graduated in 1943.

After serving in the U.S. Army, he became a feed salesman for Central Soya Fort Wayne, Indiana, which he represented in Pennsylvania. In 1953 he decided to settle in Pennsylvania and go into business for himself. He bought Eby's Mill in 1953 followed by the purchase of Hempfield Mills in 1958.

### Tallest Conifers

The coast redwood tops all other conifers in the nation in height as well as speed of growth. Sierra redwoods, however, grow to greater diameter—some attaining a girth of 3 1/2 feet.

# Why?

## Mol-Mix®

### LIQUID SUPPLEMENTS

Lush grass is packed with extra energy — energy that really puts on those extra pounds. Dry, brown grass lacks the nutrients needed in producing maximum gains. The following chart shows how grass varies in feeding value as the season progresses:

Mol-Mix® is loaded with the nutrients dry grass lacks — proteins, minerals and vitamins that cattle need to put on those
