

Mrs. Wiley

(Continued from Page 16)

and is going to coach four teams of boys next summer.

Wileys have four children. Judy is married to Donald Benedict and lives in Middletown. She has a son Kevin and a daughter Kristen.

Robert is married to the former Kathy Eshleman of Truce. They have a son, Robbie Jr. They live at Plum Hill and he helps his father farm. Bob plays on Mount Zion's softball team in the church league and manages Fulton Peewee's (6-8 years old) baseball teams which plays at Swift Junior High School. Boys from three or four townships play on the team. As a boy he played on the Midget Midgets team.

Wade is in eighth grade at Swift Junior High School and on the basketball team. He is on Fulton Midget baseball team. When he was eight years old, he started to play baseball on the Midget Midgets team. His mother had 84 boys from the ball teams at their place for a birthday party for Wade last year. Wade took lessons on gun safety last year and went deer hunting with his dad to Potter County. Wade also helps with the farm work.

Mr. and Mrs. Wiley and Wade enjoy putting jig saw puzzles together in winter evenings.

Anna Bell's hobbies include sewing and crocheting. She does a lot of sewing for herself and for her grandchildren. She made jackets for several boys. She used to sew for other people, but doesn't have time now.

She crochets afghans, caps, scarfs, capes, hats, pillow tops and necklaces, although she doesn't like to work on them, as they are fine work.

She won first place on a pillow top at Southern Lancaster County Community Fair last year and second prize on hats and scarves.

She likes to make hairpin lace, is making an afghan now of it. She also has two crocheted capes and an afghan started. She has made eight capes and several caps. She crochets while the rest of the family look at TV.

Mrs. Wiley has several collections of dishes. She has had several cupboards made and all are full. Some dishes are packed away. She has eleven teapots,

some are old and some unusual. She has five sets of small wash bowls and pitchers. Her largest collection is of candy dishes.

Anna Bell loves flowers. Most of her flowers are house plants, but she had a bumper crop of straw flowers last year.

Although the Wiley family isn't especially fond of salads, Mrs. Wiley loves to make them. Here are a couple of her favorite ones and some of her other recipes, including the doughnuts the fire company auxiliary makes:
