"Our first year with the Harvestore System saved us \$1500.00 in purchased feed and \$1600.00 in hired labor . . .

Our production is up, too. On 52 cows we produced over 750,000 lbs. of milk last year. That's up 50,000 lbs. from the year before. Our butterfat tests have gone up .2% to .3%. We have 14,700 lbs. of milk and 564 lbs. of fat now. According to our Pennsylvania Farmer's Association figures our return on investment is now 13.6%."
