Mike Grube, left, junior vo-ag student at Warwick High School and member of the Elm-Penryn 4-H Club, accepts the James Z. Martin Award from Warren Leininger at the Lancaster County Swine Producers Association banquet at Blue Ball last week. Mike is the son of Mr. and Mrs. Jay Harold Grube, Elm.

Mount Joy 4-H Club Reorganizational Meet

The Mount Joy 4-H Sewing, Knitting and Cooking Club will hold a reorganizational meeting Monday evening, April 3, at St. Mark's Methodist Church Fellowship Hall, Mount Joy.

The sewing and knitting club will organize at 6 p.m. followed at 7:30 p.m. by the cooking club.

Anyone between the ages of nine and 19 are eligible to attend the meetings. (A child must be 10 years of age before January 1, 1973, to be eligible.)

If there are any questions about the Club, contact Mrs. John H. Nissley, Mount Joy RD1, at 653-4149, or Mrs. Roy Sauder, Mount Joy RD2, phone 653-4745.

Directors Elected

(Continued from Page 14)

giving them equal rights. There are no jobs closed to women, Groff reported.

In the Ukraine, the government nationalized all the land.

There are day-care centers for pre-school children so at the age of one year the mothers can go back to work. The centers are very regimented. All school children must attend government youth camps for three weeks during vacation time.

On a Soviet collective farm of 20,000 acres, with a farm population of 1,900 persons, machinery was stored on large open fields. A machine shop is placed at the edge of the field for repairs and maintenance. Many of the collective farms are larger than the one visited.

Mark Nestleroth, Manheim RD3, president of the Lancaster County Swine Producers Association, served as toastmaster of the annual banquet last week at Blue Ball.

How to get the bugs out of No-Tillage Corn—

Diazinon® 14G

The heavier ground cover that goes with no-tillage gives soil insects a good hiding place. And their damage to corn can be severe.

But not if you use Diazinon when you plant. Diazinon 14G at 10 pounds per acre in the furrow controls wireworms, seed corn maggots, and rootworms. And it's safe to the seed.

So why chance losing what you can gain with no-tillage — saved time, lower production costs, more moisture conserved in the soil, and higher yields? Get the bugs out with Diazinon. Order some today.
