

Students at Lancaster Mennonite School practice their car washing skills in preparation for a fund raising drive to benefit the school. Shown left to right are: Nancy Landis, Phil Bontrager, Steve Landis, Bob Good and Bernice Hoover.

Fund Raising Drive Slated at Lancaster Mennonite School

The students of Lancaster Mennonite High School are planning to work for their school in an April fund drive, April 7 and 8.

The drive will include two student work days, a chicken bar-b-que, car wash, bake sales, and a marathon volleyball game. All activities will take place on the school campus or will be based from there. All proceeds will go toward three much needed facilities; a gym, boy's dorm and a junior high school. Their goal is \$25,000.

Prune Tree Suckers

Remove suckers from your shade trees every spring, remind Extension ornamental horticulturists at Pennsylvania State University Suckers sprout at the base of some trees and from the limbs of others. They are dominant in maples and fruit trees. By removing suckers before they form big branches, the tree's canopy is better aerated and its health improved.

Last year a similar fund drive was launched. The goal last year was \$15,000, however, the total earnings amounted to \$23,000.00. In compliment of this effort, President Nixon sent the student body a personal letter, complimenting them and encouraging them.

On the two work days students will be working to earn approximately \$50. They will either find jobs by themselves or will be assigned a job by the student leaders of the drive. These jobs will include paractically everything—painting, cleaning, washing, and lifting. All the money earned from these jobs will be turned into the building fund

On April 8, from 3 p.m. to 7 p.m. a chicken bar-b-que will take place on the south lawn of the campus. A full meal will be prepared for a cost of \$2.00. Tickets will be available at the "door."

On both days a car wash will be held. Cars will be washed, waxed,

and interiors cleaned on the west side of the main classroom building. There will be no charge for the job, but donations will be accepted.

To raise student morale a marathon volleyball game will begin Thursday, April 6. This game will continue as long as there are students available who have been sponsored for a number of hours.

Mail Box Market

For Sale - 2 year old peacocks and hens. Phone 569-1580

For Sale - 2 overhead garage doors, 7 ft. wide. Call 665-3786

Mail Box Market
