Low Priced Total Performance

"SURE TORQUE" REAR TRACTOR TIRE

- 3-T nylon cord body construction for full strength
- Angle braced Zig-Zag lugs are strengthened (the wavy corrugation strengthens steel) for dependable traction
- Overlapping flared lugs in center of tread designed for even wear

GOODYEAR'S NATION-WIDE FIELD HAZARD GUARANTEE— FARM TIRES

In addition to being warranted against defects in workmanship and material, as outlined in Goodyear's Manufacturer's Lifetime Tire Guarantee, all Goodyear Super Torque, Power Torque, Traction Torque, Sure Torque, and Special Sure Grip rear tractor tires, except those banded or stamped "NA" (not adjustable), are guaranteed against field hazard damage, excluding such damage resulting from fire, wreck, mechanical defects, underinflation, broken or kinked beads, or nail punctures.

At our option, we will repair at no charge a tire adjustable under this guarantee, or replace it with a new Goodyear tire of comparable grade and size, computed on Goodyear's printed "Predetermined Price for Adjustment" current at the time of adjustment, which price will fairly represent the actual retail selling price of the comparable tire at the time of adjustment, as follows:

25 per cent Charge — with 75 per cent or more tread remaining and in first 24 months of tire service.

50 per cent Charge — with 50 per cent or more tread remaining and in first 36 months of tire service.

75 per cent Charge — with 25 per cent or more tread remaining and in first 48 months of tire service.

Applicable taxes and dealer services are additional. This guarantee does not in any way extend to consequential damage resulting from either defect or field hazard damage.

Coverage by this guarantee extends only to tires in agriculture use, excluding logging, industrial, and pulling contest usages.

There is no other guarantee, warranty, or liability, express or implied, applicable to these products. No representative has authority to make any representation, promise or agreement except as stated herein.
