Public Apology,
I wish to thank all the buyers we had on April 3, 1972, for the good support they gave us. I am very sorry we could not sell everything in a one day period. I also wish to apologize to the people who would have liked tractors but could not wait. I promise to faithfully follow the time schedule on this sale bill. At 3:00 P.M. we will sell tractors regardless of our position in the field. We will have the same good quality machinery, combines, and tractors for you to choose from. We are open for daily business and do promise to give you a good deal. Thank you all again very much and I am looking for your support on this coming sale. If you have any comments or suggestions please let me know. I want to have this sale for our customers, you come first.
