Wether Lamb Sale Slated for July 8 At Farm Show Bldg.

The third annual Keystone Wether Lamb Sale has been scheduled for Saturday, July 8, at the Pennsylvania Farm Show, according to Robert Herr, New Holland, a wether lamb official.

The sale will be held in conjunction with the 1972 Keystone stud ram and ewe show and sale, and is scheduled to begin at 2:00 p.m.

All breeds will be represented at the sale, with weights ranging from 25 to 75 pounds. All animals will be sold on a per head basis, and all have been sired by purebred rams. A health certificate will accompany each lamb sold.

According to Herr, approximately half the lambs bought at the sale are expected to be bought by Lancaster County FFA and 4-H youth.

My Neighbors

"I never dreamed I'd acquired this much junk during my stay here..."

Skromme Cited by Iowa State

Lawrence H. Skromme, vice president for engineering of New Holland Division of Sperry Rand Corporation, has been honored with a Professional Achievement Citation in Engineering by his alma mater, Iowa State University.

Citing Skromme "for superior technical or professional accomplishments in the areas of research, development, administration, education, and other engineering activity," the

award was presented at the university's recent Alumni Days Awards Convocation.

A 1937 graduate of Iowa State, Skromme joined New Holland in 1951 as chief engineer. He was named vice president in 1961. Skromme is a past president of the 6,000 member American Society of Agricultural Engineers.

HESSTON SELF-PROPELLED 420 Windrower

The easy way to get high-quality Hesstonized Hay with a low investment!

For hay quality with a proven machine at a low investment, come in and see the Hesston 420 Windrower Gentle, but positive conditioning saves the leaves compared to hay that is sapped and stripped of valuable nutrients by intermeshing conditioner rolls on competitive machines. The 420 features a simple V-belt transmission and effortless one-hand Trim-Steering. Choose a draper header if your main crop is grain or an auger header if your main crop is hay. Removeable hay conditioner makes it possible to handle grain or seed crops with either header! Come in today!
