## Merri-Maids Plan Roundup

The Strasburg Merri-Maids Sewing and Cooking Club met recently at the Martin Mylin Junior High School. The president, Joyce Houser, led in the Club pledge and roll call was answered by each member giving their favorite vegetable.

Barbara Cramer gave a demonstration on how to make attractive recipe holders. The cooking girls made speedy, Spanish Rice. The sewing girls worked on their garments.

Roundup will be held Monday afternoon, July 31 at Martin Mylin Junior High School at 3 p.m. Mothers and friends are invited.

The next regular meeting of the Club will be held July 31 at 12:30 p.m.

## A tractor, it ain't.

A Uni Power Unit, it is.

But don't try to figure out how it works just from this picture. You've gotta see it to believe it. You've gotta see how it can become a self-propelled picker Sheller Combine Forage Harvester Snow plow Or a planter

Just by adding or removing the different interchangeable work units to the big front axle

And naturally, by using the same engine, tires, transmission, instruments, cab and steering mechanism your investment is far less.
