Harvesting pasture or green feed? The Gehl FC72 chopper out throws 'em all—even in heavy, wet crops. Blows to the back of the box. And you'll find a hundred other jobs; green feeding—harvesting corn stalks, mowing weeds, cutting down and tangled hay, harvesting straw after the combine. Stop in today. Find out how you can own a Gehl FC72. We can help you get this machine into your harvesting system this year.

You do more than ride. We do more than make feeds.

We care enough to make what we think is the finest line of horse feeds in the world. Our Red Rose Super is so complete, all you add is good hay and tender loving care. Then there's Red Rose Feed, a well tested feed that meets the critical requirements of adults and young horses. Filling out the line are a whole line of economy feeds and pellets, top dressing supplements, minerals, etc. On-the-job tested with horses and ponies of all breeds and degrees of training.

See for yourself how thousands of horse-women and men look to Red Rose Horse Feeds for the best programs for their animals.
